

ORDINANCE NO. 15-09

TO PROVIDE FOR THE ISSUANCE AND SALE OF NOT EXCEEDING FOUR MILLION FIVE HUNDRED THOUSAND DOLLARS (\$4,500,000) DORCHESTER COUNTY, SOUTH CAROLINA, GENERAL OBLIGATION BONDS, SERIES 2015 TO PROVIDE ADDITIONAL FUNDS FOR THE CONSTRUCTION OF A DETENTION CENTER; TO PRESCRIBE THE PURPOSES FOR WHICH THE PROCEEDS SHALL BE EXPENDED; TO PROVIDE FOR THE PAYMENT THEREOF; AND OTHER MATTERS RELATING THERETO.

BE IT ORDAINED BY THE COUNTY COUNCIL OF DORCHESTER COUNTY, SOUTH CAROLINA, IN MEETING DULY ASSEMBLED:

As an incident to the enactment of this Ordinance and the issuance of the bonds provided for herein, the County Council of Dorchester County, South Carolina (the "County Council"), the governing body of Dorchester County, South Carolina (the "County"), and the body to which is delegated the administrative duties of the County, finds that the facts set forth herein exist and the statements made with respect thereto are true and correct.

WHEREAS, by virtue of the County Bond Act (Chapter 15, Title 4 of the Code of Laws of South Carolina 1976, as amended), as amended and continued by Section 11-27-40 of the Code of Laws of South Carolina 1976, as amended (the County Bond Act, as so amended and continued, being hereinafter called the "Enabling Act"), County Council is authorized to issue general obligation bonds of the County for the purpose of defraying the cost of any purpose for which the County may, under applicable constitutional provisions, issue bonds or levy taxes, and for any amount not exceeding the constitutional debt limit applicable to the County; and

WHEREAS, County Council has heretofore issued its \$18,000,000 General Obligation Bonds, Series 2012 in order to obtain funds for the purpose of defraying the cost of the acquisition of certain real property and the cost of the acquisition, construction, furnishing and equipping thereon of buildings and related site improvements to serve as jail facilities for the County and has now determined the need for additional funds to defray the cost of completion of the acquisition, construction, furnishing and equipping of the jail facilities as well as the cost of miscellaneous capital improvements of the County (collectively, the "Project"); and

WHEREAS, pursuant to the authorizations of Article X of the South Carolina Constitution and the Enabling Act, County Council now desires to issue its general obligation bonds to provide the funds necessary to finance a portion of the cost of completion of the acquisition, construction, furnishing and equipping of the Project, including reimbursement for expenditures heretofore incurred in connection with the Project; and

WHEREAS, by virtue of Article X, Section 14 of the South Carolina Constitution and the Enabling Act, for the purposes set forth above, and subject to an 8% constitutional debt limit, the County is authorized to issue general obligation bonds pursuant to the Enabling Act. Based on the 2014 assessed value of all taxable property in the County of \$530,854,610 (which amount includes

the assessed value of merchants' inventory in the amount of \$2,253,721), the County's 8% constitutional debt limit is \$42,648,666. The County currently has outstanding general obligation debt in the amount of \$132,482,276. \$99,538,728 of the County's outstanding general obligation debt was issued pursuant to referenda and does not count against the County's constitutional debt limit. Consequently, the County is now permitted to incur, without an election, additional general obligation debt in the amount of \$9,705,118.

NOW, THEREFORE, on the basis of the foregoing authorizations and for the purpose of raising the sum of not exceeding Four Million Five Hundred Thousand Dollars (\$4,500,000) to be expended for the purposes set forth above, the County Council enacts this Ordinance to effect the issuance and sale of not exceeding \$4,500,000 of General Obligation Bonds, Series 2015 of the County.

**ARTICLE II
ISSUANCE OF BONDS**

Section 1 Authorization of Bonds, Denominations, and Maturities.

Pursuant to the provisions of the Enabling Act and for the purposes of defraying a portion of the costs of the Project, including reimbursement for expenditures heretofore incurred in connection with the Project, and the costs incurred in connection with the issuance of the Bonds, there shall be issued not exceeding Four Million Five Hundred Thousand Dollars (\$4,500,000) of general obligation bonds of the County. The Bonds shall be designated "Dorchester County, South Carolina, General Obligation Bonds, Series 2015" or such other appropriate designation as determined by the County Administrator. The Bonds shall originally be dated the date of their delivery or such other date as determined by the County Administrator (the "Dated Date"), shall be issued in fully-registered form, shall be in denominations of Five Thousand and no/100 Dollars (\$5,000.00) each or any integral multiple thereof, and may be numbered from R-1 upward. The Bonds shall be issued in such aggregate principal amount, shall mature on such dates in the years and in the principal amounts, shall be payable as to interest at such rate or rates on such Interest

Payment Dates, and shall be subject to redemption prior to their maturity, if at all, at such times and at such redemption prices, all as shall be approved by the County Administrator, provided that the aggregate principal amount may not exceed \$4,500,000. Upon the sale of the Bonds, a schedule setting forth the Dated Date, the maturity schedule, the Interest Payment Dates, the interest rate or rates and the redemption provisions, if any, shall be attached hereto as Exhibit C and shall be deemed incorporated into this Ordinance as if fully stated herein.

Section 2 Partial Redemption of Bond.

In the event that the Bonds are subject to optional redemption and only part of the principal amount of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of such Bond to the Paying Agent. Upon surrender of such Bond, the County shall execute and the Authenticating Agent, if any, shall authenticate and deliver to the holder thereof, at the office of the Authenticating Agent, or send to such holder by registered mail at his request, risk, and expense, a new fully-executed Bond or Bonds, of authorized denominations equal in aggregate principal amount to, and of the same maturity and interest rate as, the unredeemed portion of the Bond surrendered.

Section 3 Cancellation of Redeemed Bonds.

All Bonds which have been redeemed shall be cancelled and either maintained or destroyed by the Paying Agent and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Paying Agent to the County upon the request of the Chairman.

Section 4 Purchase of Bonds.

The Paying Agent shall, if and to the extent practicable, endeavor to purchase Bonds or portions of Bonds at the written direction of the County at such time, in such manner, and at such price as may be specified by the County but in no event greater than the price equal to the then redemption price of such Bonds. The Paying Agent may so purchase Bonds with any moneys then held by the Paying Agent and available for the redemption or purchase of Bonds; provided, that any limitations or restrictions on such redemption or purchases contained in this Ordinance shall be complied with. The expenses of such purchase shall be deemed an expense of the Paying Agent to be paid by the County. The Paying Agent shall incur no liability for any purchase made in accordance with this Section or for its inability to effect such purchase in excess of the then redemption price thereof.

Section 5 Notice of Redemption.

Unless waived by any registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the County by mailing a copy of an official redemption notice by first-class mail, postage prepaid, at least thirty days and not more than sixty days prior to the date fixed for redemption to the registered owners of the Bond or Bonds to be redeemed at the address shown on the Books of Registry. Failure to give notice by mail or any defect in any notice so mailed with

respect to any Bond shall not affect the validity of the proceedings for such redemption for Bonds for which notice was properly given.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the County shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. If said money shall not be available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption. Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid by the Paying Agent at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be cancelled by the Paying Agent and shall not be reissued.

Section 6 **Interest Rates on Bonds.**

The Bonds shall bear such rate or rates of interest, payable on the Interest Payment Dates commencing on such date as determined by the County Administrator, as shall, at the sale of the Bonds, reflect the lowest net interest cost to the County, at a price of not less than par and accrued interest to the date of delivery, but:

- (a) all Bonds of the same maturity shall bear the same rate of interest;
- (b) no rate of interest on any Bond shall be more than four per centum (4%) higher than the lowest rate of interest named on any other Bond;
- (c) each interest rate named shall be a multiple of 1/20th or 1/8th of one per centum; and
- (d) any premium offered must be paid in cash as a part of the purchase price.

For the purposes of this Section 6, interest cost shall mean the aggregate of interest on all Bonds from the Dated Date, until their respective maturities, less any sum named by way of premium.

Section 7 **Medium of Payment.**

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for the payment of public and private debts.

Section 8 **Place of Payments; Selection of Paying Agent.**

Principal and premium, if any, of the Bonds, when due, shall be payable at the office of such bank, trust company, or securities depository or the office of the County Treasurer as may be agreed

upon by the Chairman and the successful purchasers at the sale thereof, or, in the event of a failure to agree, at the office of some bank, trust company or securities depository to be designated by the Chairman (such bank, trust company, securities depository or office of the County Treasurer being herein referred to as the "Paying Agent"). Interest on any Bond shall be payable on each Interest Payment Date by check or draft mailed to the person in whose name such Bond is registered at the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding such Interest Payment Date (the "Regular Record Date") by the Paying Agent.

Section 9 Execution of Bonds.

The Bonds shall be executed in the name of the County by the manual or facsimile signature of the Chairman, and attested by the manual or facsimile signature of the Clerk, provided that in the event that both such signatures are facsimile signatures, no Bond shall be of any force and effect unless and until authenticated by the manual signature of an authorized officer of such bank, trust company, securities depository or the office of the County Treasurer as may be designated by the Chairman (the "Authenticating Agent"), and the seal of the County shall be impressed or reproduced on each Bond. Any facsimile signature appearing on the Bonds may be those of the officers who are in office on the date of the enactment of this Ordinance. The Bonds shall be executed in respect of any manual signature by the person or persons holding office when such Bonds are ready for delivery. The execution of the Bonds in this fashion shall be valid and effectual notwithstanding changes in the personnel of any of the above offices subsequent to their execution.

Section 10 Form of Bonds.

(a) The Bonds shall be issued in fully-registered form, and all principal, interest or other amounts due thereunder shall be payable only to the registered owner thereof. The bond registrar shall be such bank, trust company, securities depository or the office of the County Treasurer to be designated by the Chairman (the "Bond Registrar"). The County Council hereby directs the Bond Registrar to maintain, at the County's expense, the Books of Registry for the registration or transfer of the Bonds.

(b) The form of the Bonds and assignment provisions to be endorsed thereon shall be substantially as set forth in Exhibit A attached hereto and made a part of this Ordinance.

(c) A copy of the approving legal opinion to be rendered shall be attached to the back of each Bond.

Section 11 Registration and Transfers of Bonds; Persons Treated as Owners.

(a) Each Bond shall be fully-registered, and no Bond may be transferred except by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such registered Bond or Bonds, the County shall execute and, if applicable, the Authenticating Agent shall authenticate and deliver, subject to the provisions of Section 14 of this Article, in the name of

the transferee, a new registered Bond or Bonds of the same aggregate principal amount as the unpaid principal amount of the surrendered Bond or Bonds.

(b) Any bondholder requesting any transfer shall pay any tax or other governmental charge required to be paid with respect thereto. Any purported assignment in contravention of the foregoing requirements shall be, as to the County, absolutely null and void. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of and interest on such Bonds shall be made only to or upon the order of the registered owner or his legal representative. All such payments shall be valid and effective to satisfy and discharge the liability of the County upon such Bond to the extent of the sum or sums so paid. No person other than the registered owner shall have any right to receive payments, pursue remedies, enforce obligations or exercise or enjoy any other rights under any Bond against the County. Notwithstanding the foregoing, nothing herein shall limit the rights of a person having a beneficial interest in any Bond as against a person (including the registered owner) other than the County, as in the case where the registered owner is a trustee or nominee for two or more beneficial owners of an interest in any Bond.

(c) The Bond Registrar shall not be required to exchange or transfer such Bond or portion of Bond (i) for the period beginning on the Regular Record Date and ending on the next succeeding Interest Payment Date or (ii) if such Bond has been called for redemption.

Section 12 Mutilated, Lost, or Stolen Bonds.

In the event any Bond is mutilated, lost, stolen, or destroyed, the County may execute and, if applicable, the Authenticating Agent may authenticate a new Bond of like date, maturity, interest rate, and denomination as that mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Paying Agent, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the County and the Paying Agent evidence of such loss, theft, or destruction satisfactory to the County and the Paying Agent, together with indemnity satisfactory to them, provided that in the case of a holder which is a bank or insurance company, the agreement of such bank or insurance company to indemnify shall be sufficient. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the County may pay the same without surrender thereof. The County, the Paying Agent, and the Authenticating Agent, if any, may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection.

Section 13 Exchange of Bonds.

Subject to the provisions of Section 11 of this Article, the Bonds, upon surrender thereof to the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Paying Agent, the Authenticating Agent or the Bond Registrar may make as provided in Section 14 of this Article, be exchanged for a principal amount of Bonds of any other authorized denominations equal to the unpaid principal amount of surrendered Bonds.

Section 14 Regulations with Respect to Exchanges and Transfers.

In all cases in which the privilege of exchanging or transferring the Bonds is exercised, the County shall execute and, if applicable, the Authenticating Agent shall authenticate and deliver the Bonds in accordance with the provisions of this Ordinance. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Paying Agent. There shall be no charge for such exchange or transfer of the Bonds except that the Paying Agent, the Bond Registrar, and the Authenticating Agent may make a charge sufficient to reimburse them, or any of them, for any tax or other governmental charge required to be paid with respect to such exchange or transfer.

Section 15 Book-Entry System.

At the election of the Original Purchaser, the Bonds may be issued in book-entry-only form in principal amounts of \$5,000 or any integral multiple thereof. In the event the book-entry-only system is utilized, The Depository Trust Company, New York, New York ("DTC") will act as securities depository for the Bonds, and the following provisions of this Section 15 will apply unless and until the book-entry-only system described in this Section 15 is discontinued. The ownership of one fully-registered Bond for each maturity, each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as nominee for DTC.

Purchases of Bonds under the book-entry system may be made only through brokers and dealers who are, or act through, DTC Participants in accordance with rules specified by DTC. Each DTC Participant will receive a credit balance in the records of DTC in the amount of such DTC Participant's ownership interest in the Bonds. The ownership interest of each actual purchaser of a Bond (the "Beneficial Owner") will be recorded through the records of the DTC Participant or persons acting through DTC Participants (the "Indirect Participants"). Transfers of ownership interests in the Bonds will be accomplished only by book entries made by DTC and, in turn, by DTC Participants or Indirect Participants who act on behalf of the Beneficial Owners. Beneficial Owners of the Bonds will not receive nor have the right to receive physical delivery of Bonds, and will not be or be considered to be holders thereof under the Ordinance, except as specifically provided in the event the book-entry system is discontinued.

So long as Cede & Co., as nominee of DTC, is the registered owner of the Bonds, references in this Ordinance to the bondholders or registered owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners. The County, the Bond Registrar and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purpose of payment of the principal of or interest or premium, if any, on the Bonds, giving any notice permitted or required to be given to bondholders under the Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by bondholders and for all other purposes whatsoever, and shall not be affected by any notice to the contrary. The County, the Bond Registrar and the Paying Agent shall not have any responsibility or obligation to any DTC Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any DTC Participant, or any other person which is not shown on the Books of Registry kept by the Bond Registrar as being a bondholder, with respect to the accuracy of any records maintained by DTC or any DTC Participant; the payment by DTC or any DTC Participant of any amount in respect of the principal of or interest or premium, if any, on the Bonds; any notice which is

permitted or required to be given to bondholders thereunder or under the conditions to transfers or exchanges adopted by the County; or any consent given or other action taken by DTC as a bondholder.

Principal, premium, if any, and interest payments on the Bonds will be made to DTC or its nominee, Cede & Co., as registered owner of the Bonds. Payments by DTC Participants and Indirect Participants to Beneficial Owners of the Bonds will be the responsibility of such DTC Participant or Indirect Participant and not of DTC, the Bond Registrar, the Paying Agent or the County.

While the book-entry system is used for the Bonds, the Paying Agent will give any notice of redemption or any other notice required to be given to holders of the Bonds only to DTC. Any failure of DTC to advise any DTC Participant, or of any DTC Participant to notify any Indirect Participant, or of any DTC Participant or Indirect Participant to notify any Beneficial Owner, of any such notice and its content and effect will not affect the validity of the redemption of the Bonds called for redemption or any other action premised on such notice. Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants and in turn by DTC Participants and Indirect Participants to Beneficial Owners of the Bonds will be governed by arrangements among them.

Neither the County, the Bond Registrar nor the Paying Agent will have any responsibility or obligation to such DTC Participants, or the persons for whom they act as nominees, with respect to payments actually made to DTC or its nominee, Cede & Co., as registered owner of the Bonds in book-entry form, or with respect to the providing of notice for the DTC Participants, the Indirect Participants, or the Beneficial Owners of the Bonds in book-entry form.

For every transfer and exchange of a beneficial ownership interest in the Bonds, a Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

DTC may determine to discontinue providing its service with respect to the Bonds at any time by giving notice to the County and discharging its responsibilities with respect thereto under applicable law. In addition, if the County determines that continuation of the system of book-entry-only transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners of the Bonds or the County, the County may thereupon terminate the services of DTC with respect to the Bonds. Further, the County shall terminate the services of DTC with respect to the Bonds upon receipt by the County of written notice from DTC Participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then outstanding Bonds, to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Bonds; or (ii) a continuation of the system of book-entry-only transfers of the Bonds is not in the best interest of the Beneficial Owners of the Bonds. If for any such reason the system of book-entry-only transfers through DTC is discontinued, Bond certificates will be delivered as described in this Ordinance in fully registered form in denominations of \$5,000 or any integral multiple thereof in the names of Beneficial Owners or DTC Participants; provided, however, that in the case of any such discontinuance (other than as described in clause (ii) of the preceding sentence) the County may within 90 days thereafter appoint

a substitute securities depository which, in the County's opinion, is willing and able to undertake the functions of DTC upon reasonable and customary terms.

In the event the book-entry system is discontinued, the persons to whom Bond certificates are delivered will be treated as "bondholders" for all purposes of the Ordinance, including the giving to the County or the Paying Agent of any notice, consent, request or demand pursuant to the Ordinance for any purpose whatsoever. In such event, the Bonds will be transferable to such bondholders, interest on the Bonds will be payable by check or draft of the Paying Agent, mailed to such bondholders, and the principal and redemption price of all Bonds will be payable at the principal corporate trust office of the Paying Agent.

ARTICLE III SECURITY FOR BONDS

Section 1 Pledge of Full Faith, Credit, and Taxing Power.

For the payment of the principal and interest on the Bonds as the same respectively mature, and for the creation of such sinking fund as may be necessary therefor, the full faith, credit, and taxing power of the County are irrevocably pledged, and there shall be levied annually by the Auditor of Dorchester County, and collected by the County Treasurer, in the same manner as other County taxes are levied and collected, a tax, without limit, on all taxable property in the County, sufficient to pay the principal and interest of the Bonds as they respectively mature, and to create such sinking fund as may be necessary therefor.

Section 2 Levy and Collection of Taxes.

The Auditor and Treasurer of Dorchester County, South Carolina shall be notified of this issue of Bonds and directed to levy and collect, respectively, upon all taxable property in the County, an annual tax, without limit, sufficient to meet the payment of the principal of and interest on the Bonds, as the same respectively mature, and to create such sinking fund as may be necessary therefor.

Bids shall be received until such time and date and at such place to be selected by the County Administrator or the Chief Financial Officer; and the County Administrator or the Chief Financial Officer is authorized to reject any and all bids and to award the Bonds to the bidder offering to take them at the lowest net interest cost to the County. The Bonds shall be advertised for sale in:

THE STATE, a newspaper published in the City of Columbia, South Carolina, and having general circulation in the State of South Carolina;

which shall appear at least once, not less than seven days before the date set for the sale. The County Administrator or the Chief Financial Officer is authorized to solicit bids for the Bonds through a Request for Proposals or Official Statement.

Section 2 **Disposition of Proceeds of Sale of Bonds.**

(a) There is hereby created a separate bond account to be named the "County Bond Construction Fund" (the "Construction Fund") to be held by the County Treasurer. Various accounts may be established within the Construction Fund in order to comply with any requirements of federal or State law, including arbitrage rebate requirements.

(b) The proceeds derived from the sale of the Bonds issued pursuant to this Ordinance shall be deposited with the County Treasurer, and shall be expended and made use of by the County Council as follows:

(i) Any accrued interest shall be applied to the payment of the first installment of interest to become due on the Bonds;

(ii) Any premium shall be applied to the payment of the first installment of principal of the Bonds or as otherwise permitted by law;

(iii) The remaining proceeds shall be deposited into the Construction Fund and used to defray the cost of issuing the Bonds and to pay the cost of the Project, including reimbursement for expenditures heretofore incurred in connection with the Project.

(c) Amounts in the Construction Fund shall be disbursed for costs and expenses of the Project upon the filing in the official records pertaining to the Construction Fund of a certificate of the County describing such disbursement, setting forth the portion, if any, of the Net Proceeds of the Bonds to be used for a Private Business Use or to make or finance a loan to other than a state or local governmental unit and certifying that there has been compliance with Sections 3 and 4 of Article V hereof relating to the Private Business Use limitation and the private loan limitation. Investment earnings and profits on amounts in the Construction Fund shall be credited to the Construction Fund and applied to pay costs as set forth in this Section 2. Amounts, if any, remaining in the Construction Fund shall, upon receipt from the County certifying that no further amounts are required to be disbursed for costs and expenses of the Project, be transferred into the Sinking Fund Account, shall be invested at a Yield not in excess of the Yield of the Bonds and shall be used for purchase of the Bonds on the earliest practicable date next succeeding the date of transfer or used for any other lawful purpose of the County and the Construction Fund shall be closed.

(d) No purchaser or holder of the Bonds shall be liable for the proper application of the proceeds thereof.

ARTICLE V
TAX EXEMPTION OF BONDS

Section 1 **Exemption from State Taxes.**

Both the principal of and interest on the Bonds shall be exempt from all state, county, municipal, school district, and all other taxes or assessments of the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except estate, transfer or certain franchise taxes.

Section 2 **Federal Guarantee Prohibition.**

The County shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations.

Section 3 **Private Business Use Limitation.**

Section 1 **Amending and Supplementing of Ordinance Without Consent of Holders of Bonds.**

(a) The County Council, from time to time and at any time and without the consent or concurrence of any holder of any Bond, may enact an ordinance amendatory hereof or supplemental hereto, if the provisions of such supplemental ordinance shall not materially adversely affect the rights of the holders of the Bonds then outstanding, for any one or more of the following purposes:

1. To make any changes or corrections in this Ordinance as to which the County Council shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

2. To add additional covenants and agreements of the County for the purpose of further securing the payment of the Bonds;

3. To surrender any right, power or privilege reserved to or conferred upon the County by the terms of this Ordinance;

4. To grant or confer upon the bondholders any additional right, remedies, powers, authority or security that lawfully may be granted to or conferred upon them; or

5. To make such additions, deletions or modifications as may be necessary to assure compliance with Section 148(f) of the Code relating to required rebate to the United States or otherwise as may be necessary to assure the exclusion from gross income of interest on the Bonds for purposes of federal income taxation.

(b) The County shall not enact any supplemental ordinance authorized by the foregoing provisions of this Section unless in the opinion of counsel (which opinion may be combined with the opinion required by Section 4 hereof) the enactment of such supplemental ordinance is permitted by the foregoing provisions of this Section and the provisions of such supplemental ordinance do not adversely affect the rights of the holders of the Bonds then outstanding.

Section 2 **Amending and Supplementing of Ordinance With Consent of Holders of Bonds.**

(a) With the consent of the holders of not less than a majority in principal amount of the Bonds then outstanding, the County Council from time to time and at any time may enact an

ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights and obligations of the County under this Ordinance, or modifying or amending in any manner the rights of the holders of the Bonds then outstanding; provided, however, that, without the specific consent of the holder of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (i) change the fixed maturity date of any Bond or the dates for the payment of interest thereon, or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the redemption price (or the redemption premium) payable upon the redemption or prepayment thereof; (ii) in any way limit or alter the pledge of the full faith, credit and taxing power as security for the Bonds as provided in Article III hereof; (iii) reduce the aforesaid percentage of Bonds, the holders of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; or (iv) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the holders of the Bonds of the enactment of any supplemental ordinance authorized by the provisions of Section 1 of this Article.

(b) It shall not be necessary that the consents of the holders of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the supplemental ordinance affecting such amending or supplementing hereof pursuant to this Section. The County shall mail a notice at least once, not more than thirty days after the effective date of such amendment or supplement of such amendment or supplement postage prepaid, to each holder of Bonds then outstanding at his address, if any, appearing upon the Books of Registry and to the Paying Agent, but failure to mail copies of such notice to any of the holders shall not affect the validity of the supplemental ordinance effecting such amendments or supplements or the consents thereto. Nothing in this paragraph contained, however, shall be construed as requiring the giving of notice of any amendment or supplement of this Ordinance authorized by Section 1 of this Article. No action or proceeding to set aside or invalidate such supplemental ordinance or any of the proceedings for its enactment shall be instituted or maintained unless such action or proceeding is commenced within sixty days after the mailing of the notice required by this paragraph.

Section 3 Notation Upon Bonds; New Bonds Issued Upon Amendments.

No supplemental ordinance changing, amending or modifying any of the rights, duties and obligations of any Fiscal Agent appointed by or pursuant to the provisions of this Ordinance (other than the County Treasurer) may be enacted by the County Council or be consented to by the holders of the Bonds without written consent of such Fiscal Agent affected thereby.

*The interest rate, at the option of the Registered Holder, is subject to adjustment on the tenth anniversary of the Original Date of Issue of the Bonds (the Interest Rate Adjustment Date) to a fixed rate of interest to be determined based on applicable changes in the County's general obligation bond credit ratings as described in the table below. The Registered Holder must provide written notice of its election to adjust the interest rate as provided above not less than ninety days prior to the Interest Rate Adjustment Date, such notice to include the new fixed rate of interest that will be associated with the Bonds (the Adjusted Interest Rate). In the event of such written notice, the interest on the Bonds will accrue at the Adjusted Interest Rate commencing on the Interest Rate Adjustment Date and continuing to and including the Maturity Date.

	Interest Rate Adjustment Options	
	Credit Ratings ¹	Increase in Interest Rate
	(Moody's/S&P)	(Cumulative ²)
Level 1	Aa3/AA-	10 bps
Level 2	A1/A+	10 bps
Level 3	A2/A	15 bps
Level 4	A3/A-	20 bps
Level 5	Baa1/BBB+	20 bps
Level 6	Baa2/BBB	25 bps
Level 7	Baa3/BBB-	30 bps
Level 8	Any Credit Rating below Level 7	Prime + 6%

¹The credit rating shall be based on the County's long term general obligation bond credit rating (the Credit Rating). The County shall maintain a general obligation debt rating on its long-term debt from at least one of the three nationally recognized bond rating agencies (Moody's Investors Service, Standard & Poor's Ratings Services or Fitch Ratings) during the term of the Bonds. Upon the event of a downgrade of the County's Credit Rating, the lowest of the ratings from the bond rating agencies will be used at the Interest Rate Adjustment Date.

²Increases are cumulative if the County's Credit Rating drops multiple levels. For example, if the County's Credit Rating dropped from the current "Aa2" to "A2/A" when assessed at Year 10, the Registered Holder would have the option to increase the fixed rate by 35 basis points.

Optional Redemption. The Bonds are subject to redemption, at the option of the County, in whole or in part at any time, upon thirty days prior written notice to the registered owner at the redemption price of par, together, in each such case, with accrued interest to the date fixed for redemption.
