BE IT ORDAINED BY THE COUNTY COUNCIL OF DORCHESTER COUNTY, SOUTH CAROLINA, IN MEETING DULY ASSEMBLED:

FINDINGS OF FACT

Incident to the enactment of this Ordinance, and the issuance of the bonds provided for herein, the County Council of Dorchester County, South Carolina (the "County Council") finds, as a fact, that each of the statements hereinafter set forth is in all respects true and correct.

(A) Dorchester County, South Carolina (the "County") is a body politic and corporate and a political subdivision of the State of South Carolina; and

(B) The County has determined that proper management of stormwater runoff and sediment is necessary to reduce pollution, siltation, sedimentation, local flooding, inflow and infiltration of stormwater into the public sewer collection system and stream channel erosion, all of which impact adversely on land and water resources and the health, safety, property and welfare of the residents of the County; and

(C) Pursuant to Ordinance No. 02-10 enacted by the County Council on August 5, 2002, as amended, the County has established a stormwater utility as authorized by Title 48, Chapter 14 of the Code of Laws of South Carolina 1976, as amended, such being the Stormwater Management and Sediment Reduction Act (the "Stormwater Act"); and

(D) The County is authorized by the Stormwater Act to operate such facilities as it shall deem necessary for a stormwater management utility in the County (the "Utility"); and

(E) The County has, pursuant to the Stormwater Act, particularly Section 48-14-120(C) and the regulations promulgated thereunder, established a fee system to defray the cost of the Utility; and

(F) Pursuant to the powers vested in it by the Constitution and statutes of the State of South Carolina, particularly the Stormwater Act, the County is authorized to fund such activities as watershed master planning, facility retrofitting and facility maintenance and such other activities as may then be permitted under the Stormwater Act; and

(G) County Council has determined there is a need to finance the repair and retrofitting of the Utility as authorized by the Stormwater Act; and

(H) As a means of raising the funds needed from time to time in the repair, renovation and equipping of improvements to the Utility as permitted by the Stormwater Act, the County is empowered to issue bonds in accordance with the provisions of Chapter 21, Title 6 of the Code of Laws of South Carolina 1976, as amended (the "Revenue Bond Act"), particularly Section 6-21-50, as amended from time to time, and in compliance with Article X, Section 14, paragraph 10 of the South Carolina Constitution, payable both as to principal and interest from the revenues to be derived from the operation of the Utility; and

(I) County Council has determined to defray the cost of the repair and retrofitting of the Utility through the issuance of its stormwater system revenue bonds and has determined to pledge to the payment thereof the revenues to be derived from the Utility after provision has been made for payment of the expenses of operation and maintenance of the Utility; and

(J) The revenues derived from the operation of the Utility after provision has been made for payment of the expenses of operation and maintenance of the Utility shall be pledged to the payment of the stormwater system revenue bonds authorized to be issued hereunder; and

(K) The Utility is operated by the direction of the County Council; and

(L) On the basis of the foregoing it has been determined to enact this Ordinance to provide for the issuance of the stormwater system revenue bonds hereinafter defined at the time and on the terms and conditions set forth in this Ordinance and any Supplemental Ordinance hereto.

"Accountant" shall mean any independent certified public accountant or firm of accountants selected by the County.

"Accreted Value" shall mean, except as otherwise provided by a Supplemental Ordinance, with respect to any Capital Appreciation Bond an amount equal to the principal amount of the Capital Appreciation Bond (determined on the basis of the original principal amount per \$5,000 at maturity thereof) plus the amount, assuming semiannual compounding of earnings, which would be produced on the investment of the principal amount, beginning at the dated date of the Capital Appreciation Bond and ending at the maturity date thereof, at a yield which, if produced until maturity, will produce \$5,000 at maturity. The Accreted Value of any Capital Appreciation Bond shall mean, as of any Valuation Date, the amount set forth for that date in the Supplemental Ordinance authorizing Capital Appreciation Bonds, and as of any date other than a Valuation Date, the sum of (a) the Accreted Value on the preceding Valuation Date and (b) the product of (1) a fraction, the numerator of which is the number of days having elapsed from the preceding Valuation Date and the denominator of which is the number of days from the preceding Valuation Date to the next succeeding Valuation Date, and (2) the difference between the Accreted Values for such preceding and succeeding Valuation Dates.

Amounts owing under (or any notional amount stated in) any Interest Rate Agreement shall not be considered "Bonds" as such term is used in this Ordinance, payments by the County under an Interest Rate Agreement shall not constitute "Current Expenses" as such term is used in this Ordinance, and receipts by the County under an Interest Rate Agreement shall not constitute "Revenues" as such term is used in this Ordinance. (d) Bonds (or portions thereof) deemed to have been paid within the meaning of Section 8.01 hereof.

"Person" shall mean natural persons, firms, associations, corporations, and public bodies.

"Principal Account" shall mean the account by that name established within the Debt Service Fund.

"Principal and Interest Requirements" with respect to any Bonds shall mean the amount required to pay principal of (whether at maturity or pursuant to mandatory redemption requirements applicable thereto), redemption premium, if any, and interest (exclusive of funded interest) on the Bonds during the

period of time for which Principal and Interest Requirements are being calculated; provided (i) with respect to Balloon Indebtedness, the amount of the principal which would be payable in such period shall be computed as if such principal were amortized from the date of incurrence thereof over a period of 20 years (or, if the term thereof is less than 20 years, over a period equal to such term) on a level debt service basis at an interest rate equal to the rate borne by such Balloon Indebtedness on the date calculated, except that if the date of calculation is within twelve months of the actual maturity of such Balloon Indebtedness, the full amount of principal payable at maturity shall be included in such calculation; (ii) the interest on Variable Rate Indebtedness not subject to an Interest Rate Agreement shall be calculated at 100% of the average rate borne by the Variable Rate Indebtedness during the preceding twelve months, or if the Variable Rate Indebtedness is yet to be incurred, at 100% of the average rate such Variable Rate Indebtedness would have borne during the preceding twelve months based on the applicable index or other method of determining the interest rate under the terms of the Supplemental Ordinance providing for the incurrence of the Variable Rate Indebtedness; (iii) interest on Variable Rate Indebtedness subject to an Interest Rate Agreement shall be calculated at the applicable hedged fixed rate pursuant to such Interest Rate Agreement; (iv) with respect to Bonds which are bond anticipation notes, the amount of the principal which would be payable in such period shall be computed as if such principal were amortized from the date of incurrence thereof over a period of 20 years at an interest rate equal to the 25-Bond Revenue Index published by The Bond Buyer (or if no longer published, any reasonably equivalent nationally recognized index published for periods in question selected by the County) no more than two weeks prior to the date of calculation; and (v) interest as used in this definition shall include interest on Capital Appreciation Bonds accruing, but not payable, during the period of time for which Principal and Interest Requirements are being calculated. There shall be excluded from such calculation of interest due on any Bonds the amount of any interest rate subsidy receivable by the County from the United States Treasury pursuant to Section 54AA, 1400U-2 or 6431 of the Code or any successor or similar interest subsidy program established under the Code.

"Project" shall mean any work, undertaking, or project which the County is or may hereafter be authorized under the Stormwater Act to construct and for which Bonds may be issued hereunder. Each Project shall constitute a part of the Utility.

"Purchaser" shall mean, with respect to any Series of Bonds, the initial purchaser of that Series of Bonds.

"Rate Stabilization Fund" shall mean the fund designed to provide for the stabilization of rates by carrying forward surplus Revenues, as established by the provisions of Section 5.08 hereof.

Section 2.01 Authorization of Bonds.

There is hereby authorized to be issued Bonds of the County to be known as "Stormwater System Revenue Bonds", or as otherwise designated in the Supplemental Ordinance authorizing any Series of Bonds, which Bonds may be issued pursuant to the Ordinance and in accordance with the terms, conditions, and limitations set forth herein, in Series, in the amounts, and from time to time as the County Council may from time to time deem to be necessary or advisable for any corporate purpose of the County for which Bonds may be issued under the Ordinance and the Act.

Section 2.02 General Provisions for Issuance of Bonds.

(a) The Bonds shall be issued in Series by means of Supplemental Ordinances enacted by the County Council in accordance with the provisions of this Article and Article X hereof. Each Supplemental Ordinance shall designate the Bonds provided for thereby by an appropriate Series designation and by any further particular designations, if any, as the County Council deems appropriate; and shall, unless or except as is otherwise set forth herein, also specify (i) the authorized principal amount of the Series of Bonds; (ii) the purpose or purposes for which the Bonds of the Series are being issued, which shall be one or more of the purposes set forth in Sections 2.03 and 2.04 hereof; (iii) if the Bonds of the Series are being issued for a purpose specified in Section 2.03 hereof, the Project for which the Bonds are being issued; (iv) if the Bonds of the Series are being issued for a purpose specified in Section 2.03 hereof, an estimate of the Costs of the Project to be financed by the Series of Bonds, and, in the event of the acquisition by purchase or condemnation of any facilities already constructed, a determination of what

repairs, replacements, additions, and betterments will be necessary in order that the facilities may be effective for their purpose and an estimate of the cost required therefor; (v) the date or dates of the Bonds of the Series; (vi) the maturity date or dates of the Bonds of the Series and the mandatory redemption amounts and due dates, if any, for the Term Bonds of the Series; (vii) the interest rate or rates of the Bonds of the Series, or the manner of determining the rate or rates, the initial interest payment date therefor, and the subsequent interest payment dates; (viii) the denominations of, and manner of numbering and lettering, the Bonds of the Series; (ix) the redemption premium or premiums, if any, or the redemption price or prices to be paid upon the redemption of the Bonds of the Series, the period or periods, if any, during which premiums or prices shall be payable, and the terms and conditions, if any, of redemption; (x) the place or places of payment of the Bonds of the Series and interest thereon, and the paying agents therefor; (xi) the provisions for the sale or other disposition of the Bonds of the Series and the use, application, and investment, if any, of the proceeds of the sale or other disposition, which use, application and investment shall not be inconsistent with the provisions hereof; (xii) whether there will be a Debt Service Reserve Fund Requirement for such Series; (xiii) any other provisions which may be required to be included therein by other provisions of the Ordinance; and (xiv) any other necessary or desirable provisions not inconsistent with the provisions of the Ordinance.

(b) Bonds of a Series may be executed and delivered to the Trustee by the County and authenticated and delivered by the Trustee to the County or upon its order upon compliance with Section 2.03 or 2.04 hereof.

Section 2.03 Conditions for the Issuance of Bonds.

(a) At any time and from time to time, one or more Series of Bonds (exclusive of the initial Series of Bonds issued hereunder or Bonds issued pursuant to the provisions of Section 2.04 hereof) may be issued for any purposes as may be permitted by the Act upon compliance with the provisions of Section 2.02 hereof and this Section (except where specifically provided otherwise in this Section) in any principal amounts as may be determined by the County Council.

(i) There shall be filed with the Trustee a certificate of the Authorized Representative stating (A) either (1) that no Default exists in the payment of the principal of, premium, if any, or interest on any Bonds or Junior Bonds, and all mandatory redemption requirements, if any, required to have been made or satisfied shall have been made or satisfied, or (2) that the application of the proceeds of the sale of the Series of Bonds to be issued as required by the Supplemental Ordinance authorizing their issuance will cure the Default or permit the making or satisfaction of the redemption requirements; and (B) either (1) that to the knowledge of the Authorized Representative, the County is not in Default in the performance of any other of its covenants and agreements contained in the Ordinance, or (2) setting forth the circumstances of each Default known to him or her.

(b) If a certificate filed pursuant to part (i) of Section 2.03(a) should disclose a Default or Defaults hereunder, there shall be filed with the Trustee an opinion of Bond Counsel that, in the case of any Default disclosed in a certificate filed pursuant to part (i) of Section 2.03(a), no Default deprives the Bondholders of the security afforded by the Ordinance in any material respect.

(c) (i) For the issuance of Bonds (other than the initial Series of Bonds) issued hereunder to finance the Costs of the Project there shall be delivered to the Trustee a certificate of an Authorized Representative, Accountant or Independent Consultant which is not required to be based upon an audit of the County, to the effect that Net Revenues during any consecutive 12-month period out of the 24 months immediately preceding the issuance date of the proposed Bonds (the "Test Period") are not less than

120% of the greatest sum for any Fiscal Year obtained by adding the Principal and Interest Requirements for each Fiscal Year for all Series of Bonds then proposed to be Outstanding.

(ii) For purposes of part (c)(i) above, Net Revenues may be adjusted as provided in this part (c)(ii) as follows: Net Revenues for the Test Period may be adjusted to reflect any fee increases approved by the County and to be in effect prior to or coincident with the issuance of such proposed Series of Bonds and shall be determined as though such fee increases had been in continuance effect during the Test Period. For purposes of part (c)(i), if the County shall have acquired or has contracted to acquire any privately or publicly owned existing stormwater management facilities, then the Net Revenues derived from the Utility during the Test Period shall be increased by the amount of Net Revenues which would have been derived from said existing stormwater management facilities as if such existing stormwater management facilities had been a part of the Utility during the Test Period. For the purposes of part (c)(i), the Net Revenues derived from said existing stormwater management facilities during the Test Period shall be determined by deducting the cost of operation and maintenance of the existing stormwater management facilities from the gross revenues of the existing stormwater management facilities in the same manner provided in this Ordinance for the determination of Net Revenues. When provision has been made for the defeasance and discharge of any Bonds in accordance with the provisions of Section 8.01 hereof, then, in all instances, the Principal and Interest Requirements of those Bonds shall be excluded from the calculation required by part (c)(i).

(d) The Bonds may be issued to secure funds to defray the cost of improving, extending, enlarging, or repairing the Utility, some part thereof, including any acquisition of any additional stormwater management utility which shall be combined with or consolidated into the Utility pursuant to law; or to refund any Bonds, Junior Bonds, or any notes, bonds, or other obligations issued to finance or to aid in financing the acquisition, construction, or improvement of the Utility or another enterprise combined with the Utility.

(e) There shall be on deposit in the Debt Service Reserve Fund cash and securities (including any insurance policy, surety bond or letter of credit permitted by Supplemental Ordinance) as provided in Section 5.05 hereof (inclusive of any proceeds of Bonds to be deposited in the Debt Service Reserve Fund), having an aggregate value not less than the Debt Service Reserve Fund Requirement, if any, with respect to each Series of Bonds to be then Outstanding and the Bonds then proposed to be issued.

Section 2.04 Issuance of Refunding Bonds.

Upon compliance with the provisions of paragraphs (a), (b), (c) and (e) of Section 2.03 hereof, the County by means of a Supplemental Ordinance adopted in compliance with the Act and any other statutory provisions authorizing the issuance of revenue refunding bonds, including advance refunding bonds, may issue hereunder refunding Bonds for the purpose of refunding (including by purchase) Bonds, including amounts to pay principal, redemption premium, and interest to the date of the redemption (or purchase) of the refunded Bonds and the Costs of Issuance of the refunding Bonds and to fund any necessary reserves or other accounts. In addition, the County by means of a Supplemental Ordinance may issue refunding Bonds for the purpose of refunding Bonds without satisfying the conditions for the issuance of Bonds as contained in Section 2.03 (c) hereof to the extent that the aggregate Principal and Interest Requirements with respect to the refunding Bonds is less than the aggregate Principal and Interest Requirements with respect to the Bonds to be refunded.

Section 2.05 Issuance of Junior Bonds.

The County may at any time issue Junior Bonds in any amount as it may from time to time determine, payable from the Revenues; provided that (a) such Junior Bonds are issued to secure funds to

defray the cost of improving, extending, enlarging, or repairing the Utility, some part thereof, including the acquisition of any additional stormwater management utility which may be combined with or consolidated into the Utility pursuant to law, including obligations issued in the form of Capital Leases, or to refund Bonds, Junior Bonds, or any notes, bonds, or other obligations issued to finance or to aid in financing the acquisition, construction, or improvement of the Utility; (b) the pledge of Revenues securing Junior Bonds shall at all times be subordinate and inferior to the pledge of Revenues securing the Bonds such that Junior Bonds shall be payable from Revenues held in the Revenue Fund after provision has been made for all payments required to be made hereunder with respect to the Bonds, and (c) there shall be delivered to the Trustee a certificate of an Authorized Representative, Accountant or Independent Consultant to the effect that Net Revenues over the Test Period is not less than 100% of the greatest sum for any Fiscal Year obtained by adding the Principal and Interest Requirements for each Fiscal Year for all Series of Bonds plus the principal and interest requirements for the Junior Bonds proposed to be issued. Net Revenues may be adjusted to reflect any rate increases currently adopted and proposed to be in effect upon the issuance of the proposed Junior Bonds.

Section 2.06 Issuance of Special Facilities Bonds.

The County shall have at all times the right to enter into contracts, leases or other agreements pursuant to which it will agree to construct, operate and pay the costs of Special Facilities to be financed by its issuance of Special Facilities Bonds, subject to the following conditions:

(i) The County shall determine that the fees, revenues or receipts to be derived from the Special Facilities shall be at least equal to the principal, interest and reserve requirements contained in the Ordinance authorizing such Special Facilities Bonds and to pay all operation, maintenance and other costs and expenses applicable to such Special Facilities; and

(ii) The revenues derived from such Special Facilities need not be deposited in the Revenue Fund, and may be pledged to secure Special Facilities Bonds, but no debt service or other costs or expenses related to any Special Facilities may be paid from Revenues deposited in the Revenue Fund.

ARTICLE III

THE BONDS

Section 3.01 Execution.

(a) Unless or except as is otherwise set forth in the Supplemental Ordinance providing for the issuance of a Series of Bonds, the Bonds shall be executed on behalf of the County by the Chairman by his or her manual or facsimile signature and the corporate seal of the County or a facsimile thereof shall be impressed or reproduced thereon and attested by the Clerk to County Council by his or her manual or facsimile signature.

(b) In case any officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be that officer before the delivery of the Bonds, the signature or the facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

Section 3.02 Authentication.

Upon compliance with the provisions of Sections 2.03, 2.04, or 2.05 hereof, as applicable, and upon the written order of the County, the Trustee shall authenticate Bonds authorized to be issued hereunder. Except as otherwise set forth in a Supplemental Ordinance, only those Bonds as shall have endorsed thereon a certificate of authentication duly executed manually by the Trustee shall be entitled to any right or benefit under this Ordinance, and no Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication shall have been duly executed by the Trustee. The executed certificate of the Trustee upon any Bond shall be conclusive evidence that the Bond has been authenticated and delivered. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication on all of the Bonds issued hereunder or on all of the Bonds of a particular Series.

Section 3.03 Mutilated, Lost, Stolen, or Destroyed Bonds.

In the event any Bond is mutilated, lost, stolen, or destroyed, the County may execute and the Trustee may authenticate a new Bond having the same date, maturity, and denomination as that mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Bond, it shall first be surrendered to the County and in the case of any lost, stolen, or destroyed Bond, there shall be first furnished to the County and the Trustee evidence of the loss, theft, or destruction satisfactory to the County and the Trustee, together with indemnity satisfactory to them; provided that, in the case of a Holder which is a bank or insurance company, the agreement of the bank or insurance company to indemnify shall be sufficient. In the event any Bond shall have matured, instead of issuing a duplicate Bond, the County may pay it without surrender thereof. The County and the Trustee may charge the Holder of the Bond with their reasonable fees and expenses in this connection.

Section 3.04 Registration and Transfer of Bonds; Persons Treated as Owners.

(a) Each Bond shall be fully registered and transferable only upon the Books of Registry of the County which shall be kept for that purpose at the corporate trust office of the Trustee by the Registered Holder thereof or by his attorney, duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee, duly executed by the Registered Holder or his duly authorized attorney, signature guaranteed. Upon the transfer of any Bond, the County shall issue, subject to the provisions of Section 3.07 hereof, in the name of the transferee, a new Bond or Bonds of the same Series and of the same aggregate principal amount as the unpaid principal amount of the surrendered Bond.

(b) Any Bondholder requesting any transfer shall pay any tax or other governmental charge required to be paid with respect thereto. As to any Bond, the person in whose name it shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of, premium, if any, and interest on any Bond shall be made only to or upon the order of the Holder thereof, or his duly authorized attorney, and neither the County nor the Trustee shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All the payments made in this manner shall be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums paid.

Section 3.05 Form of Bonds; Denominations; Medium of Payment.

Unless or except as is otherwise provided in the Supplemental Ordinance authorizing their issuance, the Bonds: (a) shall be in fully registered form without coupons; (b) shall be issued in

denominations of \$5,000, or any integral multiple thereof (or, in the case of Capital Appreciation Bonds, in denominations representing \$5,000 Accreted Value at maturity or integral multiple thereof); provided that, upon partial redemption of a Bond requiring surrender thereof and the issuance of a new Bond, the new Bond may be in the denomination of the unredeemed balance; and (c) shall be payable with respect to principal, interest, and premium, if any, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The County may provide in any Supplemental Ordinance for a book-entry system for such Series of Bonds.

Section 3.06 Numbers, Date, and Payment Provisions.

(a) The Bonds shall be numbered and designated in any manner as the County, with the concurrence of the Trustee, shall determine. Each Bond of a Series shall bear interest from the interest payment date immediately preceding the date of its authentication, unless authentication shall be upon an interest payment date, in which case, it shall bear interest from its authentication, or unless authentication shall precede the first interest payment date for the Bond, in which case it shall bear interest from the date of its delivery, or as otherwise provided in the Supplemental Ordinance authorizing their issuance; provided, however, that if the date of authentication of any Bond of any Series is after a Record Date and before the corresponding interest payment date therefor, it shall bear interest from the next succeeding interest payment date; notwithstanding the foregoing, if at the time of authentication of any Bond any interest on the Bond is in default, it shall bear interest from the date to which interest on it has been paid or if no interest has been paid, the Bond shall bear interest from the date of delivery thereof or as otherwise provided in the Supplemental Ordinance authorizing the issuance of the Bond.

(b) The principal of and redemption premium, if any, on the Bonds and Accreted Value on any Capital Appreciation Bonds shall be payable when due in lawful money of the United States of America upon presentation and surrender of the Bonds at the office of the Trustee described in the Supplemental Ordinance authorizing the issuance of the Bonds. Except as otherwise set forth in a Supplemental Ordinance, payment of interest on Bonds other than Capital Appreciation Bonds shall be made by check or draft drawn upon the Trustee and mailed to the Registered Holder at his address as it appears upon the Books of Registry; provided that payment to any Bondholder owning \$1,000,000 or more of Bonds may be made by wire transfer to an account in the continental United States upon the written request and instructions provided by such Bondholder to the Trustee no later than the preceding Record Date. The Trustee shall maintain a record of the amount and date of any payment of principal or interest on the Bonds (whether at the maturity date or the redemption date prior to the maturity or upon the maturity thereof by declaration or otherwise).

Section 3.07 Exchange of Bonds.

Bonds, upon surrender thereof at the office of the Trustee described in the Supplemental Ordinance authorizing the issuance of that Series of Bonds, with a written instrument of transfer satisfactory to the Trustee, duly executed by the Bondholder or his duly authorized attorney, signatures guaranteed, may, at the option of the Bondholder thereof, and upon payment by the Bondholder of any charges which the Trustee may make as provided in Section 3.08, be exchanged for a principal amount of Bonds of any other authorized denomination equal to the unpaid principal amount of surrendered Bonds.

Section 3.08 Regulations with Respect to Exchanges and Transfer.

In all cases in which the privilege of exchanging or transferring Bonds is exercised, the County shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of the Ordinance. All Bonds surrendered in any exchanges or transfers shall forthwith be cancelled by the Trustee. There shall be no charge to the Bondholder for the exchange or transfer of Bonds except that the

Trustee may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to the exchange or transfer. Neither the County nor the Trustee shall be required (a) to exchange or transfer Bonds (i) from the Record Date to the next succeeding interest payment date or (ii) for a period of 15 days following any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption, or (b) to transfer any Bonds called for redemption.

Section 3.09 Temporary Bonds.

Any Series of Bonds may be initially issued in temporary form, exchangeable for definitive Bonds to be delivered as soon as practicable and subject to the agreement of the County and the Purchaser. The temporary Bonds may be printed, lithographed, or typewritten, shall be of any denominations and may be numbered in any manner as may be determined by the County, shall be without coupons, and may contain reference to any of the provisions of the Ordinance as may be appropriate. Every temporary Bond shall be executed by the County upon the same conditions and in substantially the same manner as the definitive Bonds. If the County issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered for cancellation at the office of the Trustee and the Trustee shall deliver and exchange for the temporary Bonds an equal, aggregate principal amount of definitive Bonds having the same aggregate principal amount and in authorized denominations of the same Series, maturity or maturities, and interest rate or rates. Until exchanged, the temporary Bonds shall be entitled to the same benefits under the Ordinance as definitive Bonds under the Ordinance.

Section 3.10 Co-Registrars.

In the Supplemental Ordinance authorizing the issuance of any Series of Bonds, the County may appoint a co-registrar in addition to the Trustee. The co-registrar shall be authorized to perform the duties and responsibilities of the Trustee set forth in Sections 3.02, 3.03, 3.04, and 3.07 hereof with respect to the authentication, registration and exchange of Bonds of that Series, the same as is the Trustee pursuant to those Sections. Any co-registrar shall be required to furnish to the Trustee the names and addresses of the transferors and transferees of any Bonds registered, transferred, or exchanged by it, and the numbers and other identifying symbols of any Bonds cancelled or exchanged by it, and shall comply with all reasonable instructions with respect to the performance of its duties and responsibilities that the Trustee shall give to it.

ARTICLE IV

REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01 Redemption of Bonds.

The Bonds of a Series shall be subject to redemption prior to their stated maturities upon the terms and conditions and at the dates and redemption price or prices or premium or premiums as shall be set forth or provided for in the Supplemental Ordinance pursuant to which that Series is issued, and upon the further terms and condition as are hereinafter set forth.

Section 4.02 Selection of Bonds for Redemption.

In the event of the redemption at any time of only part of the Bonds of a Series, the Bonds to be redeemed shall be redeemed in the order as is set forth or provided for in the Supplemental Ordinance

providing for the issuance of that Series. Unless otherwise provided by Supplemental Ordinance, if less than all of the Bonds having the same maturity of any Series shall be called for prior redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected at random by the Trustee; provided, however, that the portion of any Bond of a denomination (or, in the case of Capital Appreciation Bonds, Accreted Value at maturity) of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof, and that, in selecting portions of Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount or Accreted Value at maturity of the Bond by \$5,000.

Section 4.03 Notice of Redemption.

Unless or except as is otherwise provided in the Supplemental Ordinance authorizing the issuance of the Bonds, the provisions of this Section 4.03 apply to each Series of Bonds. In the event any of the Bonds or portions thereof are called for redemption, the Trustee shall give notice, in the name of the County, of the redemption of the Bonds to be redeemed, the redemption date, the principal amount of each Bond to be redeemed (if less than all), the redemption price, the place or places where amounts due upon redemption will be payable, and the numbers of the Bonds to be redeemed. The notice shall be given by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days, but not more than 60 days, prior to the date fixed for redemption to the Holder of each Bond or portion thereof to be redeemed at the address shown on the Books of Registry. Failure duly to give notice by mailing, or any defect in the notice, to the Holder of any Bond designated for redemption shall not affect the validity of any proceedings for the redemption of any other Bonds. All Bonds or portions thereof called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit with the Trustee on or before such redemption date; and the Bonds shall not be deemed to be Outstanding under the provisions of the Ordinance. If on the date fixed for redemption there is not on deposit with the Trustee funds for redemption, the Trustee shall send a notice to all Holders in the same manner as the notice of redemption canceling such notice of redemption. Any notice of optional redemption given pursuant to this Section may state that it is conditional upon receipt by the Trustee of moneys sufficient to pay the redemption price of such Bonds or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission shall be given by the Trustee to affected owners of Bonds as promptly as practicable upon the failure of such condition or the occurrence of such other event.

Section 4.04 Partial Redemption of Bond.

In the event that only part of the principal sum of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of the Bond to the Trustee. Upon surrender of the Bond, the County shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the office of the Trustee, or send to the Holder by registered mail at his request, risk, and expense, a new fully executed Bond or Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same Series, maturity, and interest rate as, the unredeemed portion of the Bond surrendered.

Section 4.05 Effect of Redemption.

If a Bond is subject by its terms to prior redemption and has been duly called for redemption and notice of the redemption thereof has been duly given as hereinbefore provided and if moneys for the payment of the Bond (or of the principal amount thereof to be redeemed) at the then applicable

redemption price or together with the then applicable premium, if any, and the interest to accrue to the redemption date on the Bond (or the principal amount thereof to be redeemed) are held on or before the date fixed for redemption for the purpose of payment by the Trustee or other paying agent for the Series of Bonds of which that Bond is one, then on the redemption date designated in the notice, the Bond (or the principal amount thereof to be redeemed) called for redemption shall become due and payable and interest on the Bond (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue.

Section 4.06 Cancellation.

All Bonds which have been redeemed shall be cancelled and either maintained or destroyed by the Trustee and shall not be reissued. A counterpart of the certificate of destruction evidencing the destruction shall be furnished by the Trustee to the County upon the request of the County.

Section 4.07 Purchase of Bonds.

The Trustee shall, if and to the extent practicable, endeavor to purchase Bonds or portions of Bonds at the written direction of the County at the time, in the manner, and at the price as may be specified by the County but in no event greater than the call price first to become available or then prevailing. The Trustee may so purchase Bonds with any moneys then held by the Trustee and available for the redemption or purchase of Bonds; provided, that any limitations or restrictions on redemption or purchases contained in the Ordinance shall be complied with. The expenses of purchase shall be deemed an expense of the Trustee under Section 6.03 hereof. The Trustee shall incur no liability for any purchase made in accordance with this Section or for its inability to effect purchase in excess of the redemption price thereof.

Upon satisfaction on a Fiscal Year basis of all requirements for payments into the Operation and Maintenance Fund, the Debt Service Fund, the Debt Service Reserve Fund, the Depreciation Fund and the Contingent Fund, all moneys remaining in the Revenue Fund may be transferred by the Custodian at the direction of the County to the Rate Stabilization Fund or be applied by the County for any lawful purpose related to the Utility. Such transfer shall occur at the end of each Fiscal Year upon request of the County.

(b) The Bonds shall be payable solely from the Revenues after provision has been made for payment of the Current Expenses, in the manner provided herein, and the Revenues herein made applicable thereto are hereby irrevocably pledged to the payment of the Bonds, and to the payments into the various funds herein provided for, to the extent and in the manner provided for by the Ordinance. The Bonds, including payment of the principal thereof, redemption premium, if any, and interest thereon, shall be equally and ratably secured hereunder by the pledge of the Revenues and other moneys and securities hereby made, and by the lien on the funds created herein, including the Investment Obligations, and by the statutory lien created in Section 7.02 hereof, without priority by reason of Series, number, date of adoption of Supplemental Ordinance providing for the issuance thereof, the purposes or Projects for which the Bonds are issued, the date, date of sale, execution, issuance or delivery of the Bonds, or otherwise, and without regard to which section hereof the Bonds are issued under, except as hereinafter otherwise expressly provided. The pledge securing the Bonds shall constitute a prior and paramount lien and charge on the Revenues and other moneys from time to time held hereunder, subject only to the provisions of the Ordinance restricting or permitting the application thereof for the purposes and on the terms and conditions set forth in the Ordinance. The Revenues and the other moneys and securities hereby pledged shall immediately be subject to the lien and the pledge without any physical delivery thereafter or further act, and the lien and the pledge shall be valid and binding against all parties having claims of any kind, in tort, contract, or otherwise, against the County, whether or not the parties have notice thereof.

(c) The covenants and agreements herein set forth to be performed by the County shall be for the equal and proportionate benefit, security, and protection of all Holders of the Bonds without preference, priority, or distinction as to payment or security or otherwise (except as to maturity) of any of the Bonds or any of the others for any reason or cause whatsoever, except as expressly provided herein or

in the Bonds, and, except as aforesaid, all Bonds shall rank *pari passu* and shall be secured equally and ratably hereunder without discrimination or preference whatsoever.

(d) So long as the County establishes from an accounting standpoint, proper records of receipts and disbursements for the Revenue Fund, the Revenue Fund may be used for the purposes of the Operation and Maintenance Fund, Depreciation Fund, Contingent Fund and Rate Stabilization Fund.

Section 5.03 Operation and Maintenance Fund.

(a) There is hereby established an Operation and Maintenance Fund to be maintained by the Custodian in order to provide for the payment of all Current Expenses. So long as the County is not in default hereunder, the County may determine that the Operation and Maintenance Fund may exist as a part of the Revenue Fund.

(b) Provision shall be made first for the transfers required to be made into the Operation and Maintenance Fund. There shall be transferred upon the County's direction, from the Revenue Fund into the Operation and Maintenance Fund on or before the 15th day of each calendar month, a sum sufficient to provide for the Current Expenses for the ensuing month in accordance with the Annual Budget. Withdrawals from the Operation and Maintenance Fund shall be made as required by the County from time to time in accordance, as nearly as may be practicable, with the Annual Budget.

Section 5.04 Debt Service Fund.

(a) There is hereby established a Debt Service Fund to be maintained in trust by the Trustee, and within the Debt Service Fund there is hereby established a separate Interest Account, Principal Account, and Bond Redemption Account. This fund is intended to provide for the payment of the principal of, premium, if any, and interest on the Bonds as they respectively fall due. Payments into this fund shall be made in the manner prescribed by the Ordinance and all moneys in the Debt Service Fund shall be used solely to pay the principal of, redemption premium, if any, and interest on the Bonds, and for no other purpose; and withdrawals therefrom shall be made only to effect payment of the principal of, redemption premium, if any, and interest on the Bonds. Earnings on investments of the Debt Service Fund shall become a part of the Debt Service Fund or at the written direction of the Authorized Representative be used for any lawful purpose related to the Utility; provided, however, that by Supplemental Ordinance the County may provide that earnings on moneys in the Debt Service Fund representing capitalized interest on any Series of Bonds may, during the construction period of any Project financed by that Series of Bonds, be transferred to the Construction Fund established for that Series of Bonds.

(b) Each month, after the transfers required to be made as directed by the County into the Operation and Maintenance Fund have been made, there shall be transferred by the Custodian at the written direction of the County from the Revenue Fund to the Trustee for deposit into the Debt Service Fund sufficient moneys so as to comply with the following provisions for the payment of the Principal and Interest Requirements on the Bonds then Outstanding:

(i) On or before the fifteenth day of each month (provided, that payments with respect to interest on Bonds of a Series need not begin until the month following the month in which the Series is issued and delivered) into the Interest Account of the Debt Service Fund, that amount which, together with equal, successive, monthly deposits in the same amount, will, together with any other funds on deposit from whatever source in the Interest Account of the Debt Service Fund which will be applied to the next interest payment, provide sufficient funds to pay the aggregate amount of interest to become due on the Bonds on the next interest payment date.

If any Bonds are issued with provision that the interest rate thereon is subject to adjustment from time to time, the County shall provide in the Supplemental Ordinance pursuant to which the Bonds are issued for any further and additional or alternate credits to the Interest Account as are necessary to provide for the payment of interest thereon when due, taking into account any other funds as will be available for that payment. In making the transfers required by this paragraph, any amounts credited to the Interest Account representing accrued interest received on the sale of Bonds, interest accruing during the month in which the credit is made from capitalized proceeds of Bonds, and any other transfers and credits otherwise made or required to be made to the Interest Account shall be taken into consideration and allowed for.

(ii) On or before the fifteenth day of the month which precedes the first principal payment date on any Serial Bond by twelve months, or if the first installment of principal of Serial Bonds of that Series shall become due in less than twelve months from the date on which the Series is issued and delivered to the Purchaser thereof, then on or before the fifteenth day of the month immediately succeeding the month in which the Bonds of that Series are issued and delivered, and in any event prior to the date upon which the installment of principal falls due, and on or before the fifteenth day of each succeeding month thereafter, into the Principal Account of the Debt Service Fund, that amount which, together with equal, successive, monthly deposits in the same amount, will, together with any other funds on deposit from whatever source in the Principal Account of the Debt Service Fund which will be applied to the payment of principal next to become due, provide sufficient funds to pay the aggregate amount of the principal of Serial Bonds to become due on the next principal payment date.

(iii) On or before the fifteenth day of the 12th month prior to the date upon which a mandatory redemption of Term Bonds of a Series falls due, or if the first mandatory redemption requirement on Term Bonds of that Series shall fall due in less than twelve months from the date on which that Series is issued and delivered to the Purchaser thereof, then on or before the fifteenth day of the month immediately succeeding the month in which the Bonds of that Series are issued and delivered, and in any event prior to the date upon which any mandatory redemption requirement falls due, and on or before the fifteenth day of each succeeding month thereafter, an amount such that, if the same amount were credited to the Bond Redemption Account on the fifteenth day of each month thereafter and prior to the next date upon which a mandatory redemption requirement falls due on the Term Bonds of that Series, the aggregate of the amount so credited to the Bond Redemption Account for the purpose of redeeming the Term Bonds of that Series would on the latter date be equal to the amount (excluding accrued interest) required to redeem the principal amount of those Term Bonds required by the sinking fund installment then falling due on the Term Bonds of that Series. At any time before Bonds of a Series subject to redemption from amounts deposited pursuant to this paragraph have been selected for redemption, or after the redemption date thereof, the County may, in lieu of making all or any portion of a payment with respect to that Series of Bonds required by this paragraph, deliver to the Trustee for cancellation Bonds of that Series subject to redemption from amounts so paid, in which event the payments required by this paragraph shall be reduced by the applicable redemption price of the Bonds delivered for cancellation. The Trustee shall apply the moneys credited to the Bond Redemption Account as mandatory redemption requirements to the retirement of the Term Bonds of each Series by redemption in accordance with the Supplemental Ordinance providing for the issuance of that Series of Bonds, without further authorization or direction, on each mandatory redemption date with respect to the Term Bonds of that Series or, if directed by the County, semiannually on both the redemption date and the date six months prior to the redemption date, so that the aggregate amount applied will equal the amounts required to be credited to the Bond Redemption Account as mandatory redemption requirements for the Term Bonds of that Series on the mandatory redemption date by the Supplemental Ordinance

providing for the issuance thereof; provided, however, that if the last mandatory redemption requirement for the Term Bonds becomes due on the stated maturity date thereof, the amount of the mandatory redemption requirement may be applied to the payment thereof at maturity. The Trustee shall, if so directed in writing by the County, apply the moneys credited to the Bond Redemption Account as mandatory redemption requirements for the retirement of the Term Bonds of a Series to the purchase of the Bonds at a purchase price (including accrued interest and any brokerage or other charge) not to exceed the redemption price then applicable upon the redemption of those Bonds from mandatory redemption requirements, plus accrued interest, in which event the principal amount of the Bonds required to be redeemed on the next ensuing mandatory redemption date shall be reduced by the principal amount of the Bonds purchased; provided, however, that no Bonds of the Series shall be purchased during the interval between the date on which notice of redemption of the Bonds from mandatory redemption requirements is given and the mandatory redemption date set forth in the notice, unless the Bonds so purchased are Bonds called for redemption in the notice or are purchased from moneys other than those credited to the Bond Redemption Account with respect to the mandatory redemption requirements. In the event that moneys in the Bond Redemption Account, other than moneys credited thereto as mandatory redemption requirements, are to be applied to the retirement of one or more Series of Bonds, the County may direct in writing the Trustee within 30 days of the deposit of the moneys to apply the moneys to the purchase of Bonds of that Series and may direct from which of the Series of Bonds purchases may be made and may elect that all purchases shall be made from only one Series or from more than one Series. The price payable on any purchase shall not exceed the highest redemption price applicable at the time or any time thereafter with respect to the Series of Bonds. Any moneys not applied to the purchase of Bonds shall be applied to the redemption of Bonds of any Series then subject to redemption from those moneys. In the event that the moneys may be applied to the redemption of more than one Series of Bonds, the moneys shall be applied by the Trustee to the redemption of Bonds of each Series in proportion to which the principal amount of Bonds of each Series then Outstanding and subject to redemption from the moneys bears to the total principal amount of Bonds of all Series then Outstanding and subject to redemption from the moneys. The purchase or redemption of Term Bonds pursuant to this paragraph shall be credited against the mandatory redemption requirement of the Term Bonds in any order of the mandatory redemption dates as determined by the County in writing. The Trustee shall keep and retain accurate records of application of each deposit of funds under this paragraph. Neither the County nor the Trustee shall be required to redeem Bonds pursuant to this paragraph if the moneys available for redemption are less than \$50,000. The Trustee shall give notice of all redemptions, in the name and on behalf of the County in accordance with the provisions of Article IV hereof. Any purchase of Bonds pursuant to this paragraph may be made with or without tenders of Bonds at public or private sale; provided, however, the County shall direct the Trustee in writing in any method to be followed in purchasing Bonds. The accrued interest to be paid on the purchase or redemption of Bonds shall be paid from the Interest Account. All Bonds purchased or redeemed pursuant to this paragraph shall be cancelled and not reissued.

(iv) If, on any occasion when the payments required by paragraphs (i), (ii), and (iii) are to be made, the sum total of the payments required by paragraphs (i), (ii), and (iii) plus previous monthly payments and the remaining payments to be made prior to the next succeeding interest or principal and interest payment date, will not provide, together with any other funds in the Debt Service Fund to be applied to the payment of principal and interest, sufficient funds to meet the payment of the next succeeding installment of either principal (whether due at stated maturity or by mandatory redemption) or interest, or both, as the case may be, there shall be added to the payments to be made pursuant to paragraphs (i), (ii), and (iii) with respect to any Series of Bonds, from the Revenue Fund and the account, if any, in the Debt Service Reserve

Fund established with respect to that Series of Bonds, in that order, a sum equal to the deficiency; the effect of this subparagraph (iv) being to insure that moneys in the Debt Service Fund and the Revenue Fund be applied equally and ratably to the payment of Bonds, without priority between Series, but that the moneys, if any, in the Debt Service Reserve Fund account established with respect to any Series of Bonds be applied solely to the payment of debt service on the Bonds of that Series.

(c) If at any time the amounts held by the Trustee in the funds established under this Article V are sufficient to pay principal of, premium, if any, and interest on the Bonds then Outstanding to maturity or prior redemption, together with any amounts due the Trustee, the Trustee shall notify the County, and thereafter the Trustee shall apply the amounts in the funds to the payment of the principal of, premium, if any, and interest on the Bonds and any amounts due the Trustee and shall be required to pay over any excess moneys to the County.

Section 5.05 Debt Service Reserve Fund.

(a) There is hereby established a Debt Service Reserve Fund to be maintained in trust by the Trustee. The Supplemental Ordinance providing for the issuance of each Series of Bonds may provide for the establishment of a separate account, if any, within the Debt Service Reserve Fund with respect to the applicable Series of Bonds, and, if so established, shall specify the applicable Debt Service Reserve Fund Requirement with respect to that Series of Bonds. The Debt Service Reserve Fund account established with respect to any Series of Bonds is intended to ensure the timely payment of the principal of and interest on the Bonds of that Series and to provide for the redemption of Bonds of that Series at or prior to their stated maturities. Moneys in the Debt Service Reserve Fund account established with respect to any Series of Bonds shall be used for the following purposes, and the Trustee is authorized to use such moneys for the following purposes, and for no other:

(i) To prevent a Default in the payment of the principal of or interest on the Bonds of that Series, by reason of the fact that moneys in the Debt Service Fund are insufficient for those purposes.

(ii) To pay the principal of, interest on, and redemption premium, if any, of the Bonds of that Series in the event that all Outstanding Bonds of that Series be redeemed as a whole.

(iii) To effect partial redemption of the Bonds of that Series, provided that the redemption be undertaken in accordance with the provisions of the Ordinance permitting a partial redemption of Bonds and the balance remaining in the Debt Service Reserve Fund account following the partial redemption shall not be less than the Debt Service Reserve Fund Requirement, if any, with respect to the Bonds of that Series Outstanding following the partial redemption.

(iv) To effect the retirement of Bonds of that Series through purchase under the conditions herein prescribed.

(b) Whenever the market value of the cash and securities in the Debt Service Reserve Fund account established with respect to any Series of Bonds as determined by the Trustee in accordance with Section 5.17 hereof shall exceed the Debt Service Reserve Fund Requirement, if any, with respect to that Series of Bonds, the excess may be used at the written direction of the Authorized Representative either (i) to repurchase and retire Bonds of that Series at prices not exceeding the call price first to become available or then prevailing or (ii) subject to the provisions of paragraph (h) of this Section 5.05,

transferred to the Debt Service Fund to be applied to the payment of debt service on that Series of Bonds. Purchases of Bonds shall be effected by the County through the Trustee, and whenever Bonds shall have been purchased pursuant to this authorization, it shall be the duty of the Trustee to cancel and destroy those Bonds and to deliver certificates evidencing that act to the County.

(c) Other than as provided in paragraphs (b), (e), and (g) of this Section 5.05, withdrawals from the Debt Service Reserve Fund shall be made only to make available to the Trustee the moneys which it requires to effect payment of principal and interest and premium, if any, on the Bonds in accordance with this Section 5.05. Withdrawals shall be made not less than one day nor more than five days prior to the occasion when installments of principal and interest and premium, if any, become due or the applicable redemption or Bond purchase date, as applicable.

(d) Whenever the value of cash and securities (or the equivalent security permitted by Supplemental Ordinance) in the Debt Service Reserve Fund account established with respect to any Series of Bonds as determined by the Trustee in accordance with Section 5.17 hereof shall be less than the Debt Service Reserve Fund Requirement, if any, with respect to that Series of Bonds due to decline in market value or a withdrawal pursuant to Section 5.05(a)(i), there shall be deposited, at the direction of the County, from the Revenue Fund after the payments required under Section 5.03 have been made into the Operation and Maintenance Fund and the payments required under Section 5.04 have been made into the Debt Service Fund on or before the fifteenth day of each month into the Debt Service Reserve Fund account in an amount which, together with equal, successive, monthly deposits in the same amount, will provide cash and securities in the Debt Service Reserve Fund account of a value not less than the Debt Service Reserve Fund Requirement with respect to that Series within twelve months next succeeding the determination.

(e) In lieu of the deposit of moneys into the Debt Service Reserve Fund account established with respect to any Series of Bonds to meet the Debt Service Reserve Fund Requirement with respect to that Series, the County may cause to be credited a surety bond or an insurance policy payable to, or a letter of credit in favor of, the Trustee for the benefit of the Holders of the Bonds meeting the standard set forth in the Supplemental Ordinance authorizing that Series of Bonds. The amount of moneys required to be deposited to the Debt Service Reserve Fund account shall be reduced by the amount of the surety bond, insurance policy, or letter of credit. The surety bond, insurance policy, or letter of credit shall be payable (upon the giving of notice as required thereunder) on any interest payment date on which moneys will be required to be withdrawn from the Debt Service Reserve Fund account and applied to the payment of the principal of or interest on any Bonds of that Series but only to the extent that withdrawals cannot be made by amounts then credited to the Debt Service Reserve Fund account.

(f) If the issuer of a surety bond, insurance policy, or letter of credit on deposit in the Debt Service Reserve Fund shall fail to meet any standard as may be set forth with respect thereto in the Supplemental Ordinance, the County shall use reasonable efforts to replace the surety bond, insurance policy, or letter of credit with one issued by an issuer having a rating as described, but shall not be obligated to pay, or commit to pay, increased fees, expenses, or interest in connection with the replacement or to deposit Revenues in the Debt Service Reserve Fund in lieu of replacing the surety bond, insurance policy, or letter of credit with another.

(g) If the County obtains a surety bond, insurance policy, or letter of credit after the deposit of moneys to the Debt Service Reserve Fund account established with respect to any Series of Bonds, excess moneys shall be transferred to the Construction Fund established for that Series of Bonds, or if one does not exist, to the Debt Service Fund and applied to pay debt service on that Series of Bonds; provided that, if, in an opinion of Bond Counsel addressed to the Trustee, the excess moneys do not constitute

"proceeds" within the meaning of Section 148(d) of the Code, they shall be transferred to the County for use by the County in any lawful purposes.

(h) Earnings on investment of moneys held in the Debt Service Reserve Fund account established with respect to any Series of Bonds, shall be credited to and become a part of such Debt Service Reserve Fund account but whenever the value of the cash and securities in the Debt Service Reserve Fund account exceeds the Debt Service Reserve Fund Requirement with respect to that Series of Bonds, the excess may be transferred to the Debt Service Fund or be used for any lawful purpose related to the Utility and so certified in writing to the Trustee by an Authorized Representative; provided, however, that by Supplemental Ordinance authorizing the issuance of any Series of Bonds the County may provide that any excess may, during the construction period of any Project financed by that Series of Bonds, be transferred to the Construction Fund established for that Series of Bonds.

Section 5.06 Depreciation Fund.

(a) There is hereby established a Depreciation Fund to be maintained by the Custodian. The Depreciation Fund shall be used to accumulate a reserve for the depreciation of the Utility in any amount budgeted therefor from time to time by the County. Moneys in this Fund shall be used by the County solely to replace depreciated, obsolete or worn-out facilities of the Utility; provided, however, that at the direction of the County there shall be transferred by the Custodian to the Trustee for deposit in the Debt Service Fund such amounts as are necessary to prevent a Default in the payment of the principal of, redemption premium, if any, or interest when due on any Bonds after moneys in the Revenue Fund and the Debt Service Fund have been applied for that purpose.

(b) After required deposits have been made into the Operation and Maintenance Fund, the Debt Service Fund and the Debt Service Reserve Fund, if any, the County shall cause there to be deposited from the Revenue Fund into the Depreciation Fund a sum equal to that figure which has been provided in the Annual Budget for the Depreciation Fund.

(c) Withdrawals from the Depreciation Fund shall be made during the Fiscal Year as required by the County for the purpose stated in this Section upon written requisition delivered to the Custodian and signed by the Authorized Representative. Any amounts not necessary to be retained in the Depreciation Fund for such purposes, as evidenced by a certificate of the Authorized Representative deeming such amounts as surplus, may be withdrawn from the Depreciation Fund upon written requisition delivered to the Custodian and signed by the Authorized Representative and transferred to the Rate Stabilization Fund or used for any other lawful purpose related to the Utility.

Section 5.07 Contingent Fund.

(a) There is hereby established a Contingent Fund to be maintained by the Custodian. The Contingent Fund will be used to accumulate a reasonable reserve for improvements, betterments, and extensions to the Utility, other than those necessary to maintain the Utility in good repair and working order. Moneys in this Fund shall be used by the County solely for such purposes; provided, however, that at the direction of the County there shall be transferred by the Custodian to the Trustee for deposit in the Debt Service Fund such amounts as are necessary to prevent a Default in the payment of principal of, redemption premium, if any, or interest when due on any Bonds after moneys in the Revenue Fund, the Debt Service Fund, and the Depreciation Fund have been applied for that purpose.

(b) After required deposits have been made into the Operation and Maintenance Fund, the Debt Service Fund, the Debt Service Reserve Fund, if any, and the Depreciation Fund, the County shall

cause there to be deposited from the Revenue Fund into the Contingent Fund a sum equal to that figure which has been estimated in the Annual Budget for the Contingent Fund.

(c) Withdrawals from the Contingent Fund shall be made during the Fiscal Year as required by the County for the purposes stated in this Section upon written requisition delivered to the Custodian and signed by the Authorized Representative. Any amounts not necessary to be retained in the Contingent Fund for such purposes, as evidenced by a certificate of the Authorized Representative deeming such amounts as surplus, may be withdrawn from such Contingent Fund upon written requisition delivered to the Custodian and signed by the Authorized Representative and transferred to the Rate Stabilization Fund or used for any other lawful purpose related to the Utility.

Section 5.08 Transfers of Surplus Moneys; Rate Stabilization Fund.

Upon written direction of the Authorized Representative the following transfers of money shall at all times be permissible, under the conditions enumerated below:

(a) If any surplus shall accumulate in the Operation and Maintenance Fund over and above the cost of projected Current Expenses of the Utility during the remainder of the then current Fiscal Year and over and above the sum heretofore found to be the budgeted annual amount required for reasonable and proper improvements, betterments, and extensions to the Utility, the surplus may at any time be transferred first to the Debt Service Fund to make up any deficiency therein, then to the Debt Service Reserve Fund, if any, to make up any deficiency therein, then to the Depreciation Fund to make up any deficiency therein, and then to the Contingent Fund to make up any deficiency therein, and finally to the County for any lawful purpose related to the Utility.

(b) If any surplus shall accumulate in the Depreciation Fund over and above the budgeted annual depreciation for the then current Fiscal Year and in the Contingent Fund over and above the sum heretofore found to be the budgeted annual amount required for reasonable and proper improvements, betterments, and extensions to the Utility or part thereof during the then current Fiscal Year as provided in the Annual Budget, such surplus may be transferred at the direction of the Authorized Representative first to the Debt Service Fund to make up any deficiency therein, then to the Debt Service Reserve Fund, if any, to make up any deficiency therein, and then to the County for any lawful purpose related to the Utility.

The County Council is authorized, at any time, by resolution duly adopted by the County Council, to establish a Rate Stabilization Fund for a specified period of time for the purposes set forth in this Section 5.08. The Rate Stabilization Fund shall be held by a Custodian and may be used to accumulate a reasonable reserve to offset actual or anticipated (i) business interruptions; (ii) unusual costs incurred; or (iii) revenue declines.

Moneys deposited in the Rate Stabilization Fund constitute surplus Revenues after (i) the payment of Current Expenses (either from the Revenue Fund or Operation and Maintenance Fund); (ii) deposits to the Debt Service Fund to provide for the debt service on each Series of Bonds; (iii) deposits, if necessary, to a Debt Service Reserve Fund; (iv) any deposit to a Debt Service Fund, if any, securing Junior Bonds; (v) any deposit to the Depreciation Fund; and (vi) any deposit to the Contingent Fund.

After the required deposits have been made to the Operation and Maintenance Fund; the Debt Service Fund; the Debt Service Reserve Fund, if any; the Depreciation Fund; and the Contingent Fund, there shall be deposited monthly from the Revenue Fund to the Rate Stabilization Fund an amount equal to that which is estimated by the Authorized Representative for the Rate Stabilization Fund.

At the direction of the Authorized Representative, amounts on deposit in the Rate Stabilization Fund shall be transferred at any time into the Revenue Fund to be utilized for the purposes described herein. Such transferred amount shall be treated as Revenues for purposes described in this Ordinance. Moneys in the Rate Stabilization Fund shall be used solely for the purposes described in this Section 5.08, but shall be transferred to the Debt Service Fund upon direction of the Authorized Representative whenever necessary in order to prevent a Default in the payment of principal of, redemption premium, if any, or interest when due on any Bonds.

Section 5.09 Establishment of Construction Fund.

There shall be created and established with a Custodian a Construction Fund with respect to each Series of Bonds (other than for Bonds issued to refund any obligations of the County) in the Supplemental Ordinance providing for their issuance, the moneys in which shall be used to defray the Costs of the Project and Costs of Issuance with respect to the facilities financed.

Section 5.10 Deposits into Construction Fund.

On the occasion of the delivery of any Series of Bonds, other than refunding Bonds, such proceeds, as specified in a Supplemental Ordinance, shall be paid into the Construction Fund established for that Series as set forth in a Supplemental Ordinance authorizing their issue.

Section 5.11 Withdrawals from Construction Fund.

Withdrawals from the Construction Fund shall not be made except as provided in the Supplemental Ordinance establishing the Construction Fund.

Section 5.12 Transfer of Surplus Construction Fund Moneys.

All funds remaining in any Construction Fund established under a Supplemental Ordinance upon completion of the facilities intended to be financed thereby shall be paid by the Custodian to the Trustee for deposit into the Debt Service Fund and shall be used only to pay the principal of, premium, if any, and interest on the Bonds of the Series issued under the terms of the Supplemental Ordinance or to acquire Outstanding Bonds of that Series at a price (exclusive of accrued interest) not exceeding the face amount thereof, or other lawful purpose.

Section 5.13 Investment of Funds.

(a) Any moneys held as part of any fund or account created under the Ordinance shall, at the written direction of and as specified by the Authorized Representative, be invested and reinvested by the Trustee or the Custodian of the fund, as the case may be, in Investment Obligations to the extent practicable. Any investments shall be held by or under the control of the Trustee or the Custodian of the fund, as the case may be, and shall be deemed at all times a part of those funds and the interest accruing thereon and any profit realized from investments shall be credited to the fund, and any loss resulting from investments shall be charged to the fund. The Trustee or the Custodian of the fund, as the case may be, is directed to sell and reduce to cash funds a sufficient amount of investments whenever the cash balance in the fund is insufficient to make any necessary transfers or withdrawals from the fund.

(b) No Investment Obligation in any fund or account may mature beyond the latest maturity date of any Bonds Outstanding at the time the Investment Obligation is deposited.

(c) The Authorized Representative may at any time give to the Trustee or the Custodian of the fund, as the case may be, written directions respecting the investment of any moneys required to be invested hereunder subject however to the provisions of this Section 5.13 and the Trustee or the Custodian of the fund, as the case may be, shall then invest the money under this Section as so directed by the Authorized Representative. The Trustee or the Custodian of the fund, as the case may be, may request in writing direction or authorization of the Authorized Representative with respect to the proposed investment of money under the provisions of the Ordinance. Upon receipt of any request accompanied by a memorandum setting forth details of any proposed investment, the Authorized Representative will either approve the proposed investment or will give written directions to the Trustee or the Custodian of the fund, as the case may be, respecting the investment of the money and in the case of the directions, the Trustee or the Custodian of the fund, as the case may be, shall then, subject to the provisions of this Section 5.13, invest the money in accordance with the directions.

(d) The Authorized Representative may direct the Trustee to enter into an investment agreement with respect to the Debt Service Fund and the Debt Service Reserve Fund provided the proceeds thereof are used for any lawful purpose with respect to the Utility.

Section 5.14 Trustee's and Custodian's Own Bond Department.

Subject to Section 5.13(a), the Trustee and any Custodian may make any and all investments permitted under Section 5.13 through their respective bond departments or an affiliated securities dealer.

Section 5.15 Trustee's and Custodian's Right to Rely.

The Trustee and any Custodian may conclusively rely upon any investment directions given by the Authorized Representative within the limitations set forth hereinabove received pursuant to this Article V and shall not be liable or responsible for (a) any diminution in the value of any investments made pursuant to this Article V or for any loss arising from any sale or other disposition thereof, (b) any violation of any statute or of any policy or rules or regulations of or applicable to the County or of the Internal Revenue Service with respect to "arbitrage bonds", or (c) any requirement to rebate excess earnings earned on any funds established hereunder as provided under the Code.

Section 5.16 Pooled Investment of Moneys Held in Funds.

The moneys in the funds established under the Ordinance and held by the Custodian may be pooled with each other for investment purposes.

Section 5.17 Valuation.

(a) For the purpose of determining the amount on deposit in any fund or account, Investment Obligations in which money in the fund or account is invested shall be valued at the market value of the obligations.

(b) The Trustee shall value the Investment Obligations in the funds and accounts held by the Trustee established under the Ordinance as of each June 30, within 45 days of that date. The County shall value the Investment Obligations in all other funds and accounts established under the Ordinance as of each June 30, within 45 days of that date. In addition, the Investment Obligations held by the Trustee shall be valued by the Trustee at any time requested by the County on reasonable notice to the Trustee; provided, however, that the Trustee shall not be required to value the Investment Obligations more than once in any calendar quarter.

(c) Notwithstanding the above provisions of this Section, Investment Obligations on deposit in the Debt Service Reserve Fund shall be valued on the beginning of each calendar quarter at the market value thereof.

(d) For purposes of any valuation hereunder, the value of any surety bond, insurance policy, or letter of credit credited to the Debt Service Reserve Fund shall be the amount available to the Trustee under the instrument as of the time of the calculation.

Section 5.18 Tax Covenant.

No investment shall be made by the County of any of the funds set forth above which would cause any Bond issued as a tax-exempt bond to be an "arbitrage bond" within the meaning of Section 148 of the Code; provided, however, that this Section shall not prohibit the issuance of Bonds which are subject to federal income taxation upon their original issuance.

ARTICLE VI

TRUSTEE AND CUSTODIANS

Section 6.01 Appointment of Trustee.

The Trustee, including any successor Trustee shall, at the time of appointment, be a bank or trust company which is a member of the Federal Reserve System with a capital stock, surplus and undivided profits aggregating in excess of \$100,000,000.

Section 6.02 Duties and Obligations of the Trustee.

Prior to the occurrence of any Event of Default and after the curing of all such Events of Default that may have occurred, the Trustee shall perform such duties and only such duties of the Trustee as are specifically set forth in this Ordinance and no implied covenants or obligations shall be read into this Ordinance against the Trustee. During the existence of any such Event of Default of which the Trustee is deemed to have knowledge that has not been cured, the Trustee shall exercise any of the rights and powers vested in it by this Ordinance. Upon the occurrence and continuance of an Event of Default of which the Trustee is deemed to have knowledge, the Trustee shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. The duties and obligations of the Trustee are further subject to the following terms and conditions:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay reasonable compensation to all attorneys, agents, receivers, and employees as may be reasonably employed in connection with the trusts hereof. The Trustee shall not be responsible for any misconduct or negligence of any agent or attorney appointed with due care by the Trustee. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the County) except that with respect to matters involving the exemption from federal income taxes of the interest on the Bonds, any attorneys shall be Bond Counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon the opinion or advice.

(b) The Trustee shall not be responsible for any recital herein or in the Bonds (except in respect to the authentication certificate of the Trustee endorsed on the Bonds), or for the validity of the adoption by the County Council of the Ordinance or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the County, except as herein expressly set forth; but the Trustee may require of the County full information and advice as to the performance of the covenants, conditions, and agreements aforesaid and as to the condition of the property conveyed hereby. The Trustee makes no representations as to the technical or financial feasibility of the Project, the compliance of the Project with the Act, or the tax-exempt status of the Bonds. The Trustee is not accountable for the use or application by the Borrower of any of the Bonds or the proceeds of the Bonds, or for the use or application of any moneys paid over by the Trustee in accordance with any provision of this Ordinance.

(c) The Trustee may become the owner of Bonds, secured hereby with the same rights which it would have were it not Trustee. The Trustee may also engage in or be interested in any financial or other transaction with the County.

(d) The Trustee shall be protected in acting under the Ordinance upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to the Ordinance upon the request or authority or consent of any person who at the time of making the request or giving the authority or consent is the Holder of any Bond, shall be conclusive and binding upon all future Holders of the same Bond and of Bonds issued in exchange therefor or in place thereof, regardless of whether or not any notation of making the request or giving the authority or consent is made on the Bond.

(e) As to the existence or non-existence of any act or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the County by the Authorized Representative as sufficient evidence of the facts therein contained and prior to the occurrence of a Default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which by that subsection it is deemed to have notice, may also accept a similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may, at its discretion, obtain any further evidence deemed necessary or advisable, but shall in no case be bound to obtain it. The Trustee may accept a certificate of the Clerk under the seal of the County to the effect that an Ordinance in the form therein set forth has been adopted by the County Council as conclusive evidence that the Ordinance has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in the Ordinance shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any Default hereunder except failure by the County to cause to be made any of the payments to the Trustee required to be made by Article V hereof, unless the Trustee shall be specifically notified in writing of the Default by the County, or by the Holders of at least 25% in aggregate principal amount of all Bonds then Outstanding and all notices or other instruments required by the Ordinance to be delivered to the Trustee, must, in order to be effective, be delivered at the designated corporate trust office of the Trustee or at any other address as set forth in a Supplemental Ordinance, and in the absence of notice delivered the Trustee may conclusively assume there is no Default except as aforesaid.

(h) At any and all reasonable times, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives, shall have the right fully to inspect any and all of the Utility, including all books, papers, and records of the County pertaining to the Utility and the Bonds, and to make copies and take any memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect to the execution of the trusts and powers or otherwise in respect of the premises.

(j) Before taking any action hereunder, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default by reason of any action so taken.

(k) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law or by the Ordinance. The Trustee shall be under no liability for interest on any moneys received hereunder except as may be agreed upon.

(l) The Trustee is not liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Bondholders under any provision of this Ordinance relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Ordinance.

(m) Whenever in the administration of this Ordinance the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence thereof is specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of an Authorized Representative.

(n) The Trustee is not required to make any inquiry or investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document.

(o) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of holders of Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Ordinance, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

(p) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Ordinance shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the discharge of this Ordinance and final payment of the Bonds.

(q) Except for information provided by the Trustee concerning the Trustee, the Trustee shall have no responsibility for any information in any offering memorandum or other disclosure material distributed with respect to the Bonds, and the Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(r) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise

of any of its rights or powers, if it has reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(s) Whether or not expressly so provided, every provision of this Ordinance relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section.

(t) The Trustee shall not be responsible or liable for the environmental condition or any contamination of any property which is operated by the Utility or is owned or leased by the County or for any diminution in value of any such property as a result of any contamination of the property by any hazardous substance, hazardous material, pollutant or contaminant. The Trustee shall not be liable for any claims by or on behalf of the County or any other person or entity arising from contamination of such property by any hazardous substance, hazardous material, pollutant or contaminant, and shall have no duty or obligation to assess the environmental condition of any such property or with respect to compliance of any such property under state or federal laws pertaining to the transport, storage, treatment or disposal of, hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits or licenses issued under such laws.

Section 6.03 Fees, Charges, and Expenses of Trustee.

The Trustee shall be entitled to payment or reimbursement for reasonable fees for its services rendered hereunder, and all advances, counsel fees, and other expenses reasonably and necessarily made or incurred by the Trustee in connection with its services and, in the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to reasonable extra compensation therefor, and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided, that if extraordinary services or extraordinary expenses are occasioned by the willful neglect or default of the Trustee, it shall not be entitled to compensation or reimbursement therefor.

In the event the Trustee incurs expenses or renders services in any proceedings under the Bankruptcy Code relating to the County, the expenses so incurred and compensation for services so rendered are intended to constitute expenses of administration under the Bankruptcy Code.

As security for the performance of the obligations of the County under this Section, the Trustee shall have a lien, which it may exercise through a right of set off, prior to the Bonds upon all property or funds held or collected by the Trustee pursuant to this Ordinance (other than moneys in the Rebate Fund) for the payment of principal of, redemption premium, if any, and interest on the Bonds. The obligations of the County to make the payments described in this Section shall survive discharge of this Ordinance and payment in full of the Bonds.

Section 6.04 Notice to Bondholders if Default Occurs.

If a Default occurs of which the Trustee is by Section 6.02(g) hereof required to take notice or if notice of Default be given as in Section 6.02(g) provided, then the Trustee shall give such notice to the County and the Trustee may give written notice thereof by first-class mail to the last known Holders of all Bonds then Outstanding shown by the Books of Registry.

Section 6.05 Intervention by Trustee.

In any judicial proceeding to which the County is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Bondholders, the Trustee may intervene

on behalf of the Bondholders and shall do so if requested in writing by the Holders of at least 25% in aggregate principal amount of all Bonds then Outstanding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 6.06 Merger or Consolidation of Trustee.

Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any conversion, sale, merger, consolidation, or transfer to which it is a party, subject to the approval of the County, shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges, and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed, or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 6.07 Resignation by the Trustee.

The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 90 days written notice to the County, and by first-class mail to each Holder of Bonds then Outstanding shown by the Books of Registry, and the resignation shall take effect upon the appointment of a successor Trustee or successor temporary Trustee by the Bondholders, the County or a court pursuant to Section 6.09 hereof. The notice to the County may be served personally or sent by registered or certified mail.

Every Trustee appointed pursuant to the provisions of this Section must meet all the requirements of Section 6.01 hereof.

Section 6.10 Concerning Any Successor Trustee.

(a) Upon acceptance of appointment by the successor Trustee as provided in this Section, the County shall give notice of the succession of the Trustee to the trusts hereunder by first-class mail to the Holders at the addresses shown on the Books of Registry. (b) Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to its predecessor and also to the County an instrument in writing accepting appointment hereunder, and thereupon the successor, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties, and obligations of its predecessor; but the predecessor shall, nevertheless, on the written request of the County, or of its successor, and upon payment of all amounts due the predecessor pursuant to Section 6.03 hereof, execute and deliver an instrument transferring to the successor Trustee all the estates, properties, rights, powers, and trusts of the predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the County be required by any successor Trustee for more fully and certainly vesting in the successor the estate, rights, powers, and duties hereby vested or intended to be vested in the predecessor, any instruments in writing, shall, on request, be executed, acknowledged, and delivered by the County. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where the Ordinance shall have been filed or recorded.

Section 6.11 Trustee Protected in Relying upon Ordinances, Etc.

The ordinances, opinions, certificates, and other instruments provided for in the Ordinance may be accepted by the Trustee as conclusive evidence of the acts and conclusions stated therein and shall be full warrant, protection, and authority to the Trustee for the release of property, the withdrawal of cash, and the taking or refusing to take any other action hereunder.

Section 6.12 Successor Trustee as Trustee of Funds, Paying Agent, and Bond Registrar.

In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or has been removed shall cease to be trustee of the fund of which it is trustee, and paying agent for principal of and interest and premium, if any, on the Bonds and bond registrar, and the successor Trustee shall become such trustee, paying agent, and registrar, as the case may be.

Section 6.13 Trust Estate May Be Vested in Separate or Co-Trustee.

(a) It is the purpose of the Ordinance that there shall be no violation of any law of any jurisdiction (including particularly the law of South Carolina) denying or restricting the right of banking corporations or associations to transact business as Trustee in those jurisdictions. It is recognized that in case of litigation under the Ordinance, and, in particular, in case of the enforcement of either on Default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights, or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional institution which warrants all of the requirements of Section 6.01 hereof as a co-trustee. The following provisions of this Section 6.13 are adopted to these ends.

(b) In the event that the Trustee appoints an additional institution as a co-trustee (and the Trustee is hereby expressly granted that power), each and every remedy, power, right, claim, demand, cause of action, immunity, and estate expressed or intended by the Ordinance to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in the co-trustee but only to the extent necessary to enable the co-trustee to exercise the powers, rights, and remedies, and

every covenant and obligation necessary to the exercise thereof by the co-trustee shall run to and be enforceable by either of them.

(c) Should any instrument in writing from the County be required by the co-trustee appointed by the Trustee for more fully and certainly vesting in and confirming to it the properties, rights, powers, trusts, duties, and obligations, any instruments in writing shall, on request, be executed, acknowledged, and delivered by the County. In case any co-trustee, or a successor to any, shall dissolve, become incapable of acting, resign, or be removed, all the estates, properties, rights, powers, trusts, duties, and obligations of the co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment as herein set forth of a new trustee or successor to the co-trustee.

Pursuant to a Supplemental Ordinance authorizing a Series of Bonds to pay Costs of a Project, the County shall appoint a Custodian of the Construction Fund established with respect to that Project.

Section 6.15 Duties and Obligations of Custodians.

The recitals of fact made in the Ordinance and in the Bonds shall be taken as statements of the County, and no Custodian shall be deemed to have made any representation as to their correctness, nor shall any Custodian be deemed to have made any representation whatsoever as to the validity or sufficiency of the Ordinance or of the Bonds issued hereunder, nor shall any Custodian be under any responsibility or duty with respect to the issuance of the Bonds or the application of the proceeds thereof, except to the extent provided for herein, nor shall any Custodian be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in response to the Ordinance, or to the Bonds issued hereunder, or to advance any of its own moneys, unless properly indemnified to its satisfaction, nor shall any Custodian be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

Section 6.16 Custodians Protected in Relying upon Ordinances, Etc.

All Custodians shall at all times be protected in acting upon any notice, ordinance, request, consent, order, certificate, statement, opinion, bond, or other paper or document believed to be genuine and to have been signed by the proper party or parties.

Section 6.17 Resignation of Custodians.

Any Custodian may at any time resign and be discharged of its duties and obligations hereunder by giving to the County written notice of such resignation, specifying a date (not later than 90 days after the notice) when the resignation shall take effect, and by written notice thereof to the Trustee. The resignation shall take effect upon the date specified in the notice unless previously a successor shall have been appointed, as hereinafter provided, in which event, the resignation shall take effect immediately upon the appointment and qualification of the successor.

Section 6.18 Removal of Custodians.

Any Custodian may be removed at any time by the County or by the Holders of not less than 50% of the principal amount of the Bonds at that time Outstanding. In the event any Custodian is removed pursuant to the provisions of this Section 6.18, notice thereof shall be given by the County to the Trustee.

Section 6.19 Appointment of Successor Custodians.

(a) In case any Custodian shall resign or be removed or become incapable of acting, or be adjudged bankrupt or insolvent, or a receiver of its property shall be appointed, or any public officer shall take charge or control of its property or affairs, a successor thereto shall be promptly appointed by the County. The successor shall, in all instances, be a bank, trust company, national banking association, or a national association, and shall have a combined capital and surplus of not less than \$100,000,000.

(b) Immediately following the appointment, the County shall give written notice of the appointment to the Trustee.

(c) If, in a proper case, no appointment of a successor Custodian shall be promptly made pursuant to paragraph (a) above, any Bondholder may make application to any court of competent jurisdiction for the appointment of a successor and the court may thereupon, after any notice as the court may prescribe, appoint a successor.

Section 6.20 Concerning Any Successor Custodians.

Any successor Custodian appointed as provided hereunder shall execute and deliver to its predecessor, the Trustee and the County a written acceptance of appointment and, thereupon, the successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties, and obligations of its predecessor hereunder, with the same effect as if originally named as Custodian, and its predecessor shall be obligated to pay over, transfer, assign, and deliver all moneys, securities, or other property held by it to its successor, and, on the written request of the County, the Trustee, or the successor, shall execute, acknowledge, and deliver all instruments of conveyance and further assurance and do all other things as may be reasonably required for the vesting and confirming in the successor all the right, title, and interest of the predecessor in and to any property held by it.

Section 6.21 Merger of Custodians.

Any bank or trust company into which any Custodian may be merged or with which it may be consolidated, or any bank or trust company resulting from any merger or consolidation to which it shall be a party, or any bank or trust company to which any Custodian may sell or transfer all or substantially all of its business, if the County approves, shall become the successor without the execution or filing of any paper or the performance of any other act.

ARTICLE VII

COVENANTS

Section 7.01 Rates and Other Charges.

The County covenants and agrees to operate the Utility in an efficient and economical manner and establish, maintain, revise, and collect all fees and other charges in connection therewith as may be necessary or proper, which fees, and other charges, together with other Revenues and other available funds, shall at all times be at least sufficient after making due and reasonable allowances for contingencies (a) to pay all Current Expenses, (b) to produce, after payment of all Current Expenses, at least 120% of the annual Principal and Interest Requirements on the Outstanding Bonds during the Fiscal Year, (c) to maintain the Debt Service Reserve Fund Requirements, if any, with respect to the Outstanding Bonds in the Debt Service Reserve Fund, (d) to fund the Depreciation Fund and the Contingent Fund as required hereby, (e) to comply in all respects with the terms of the Act and the Ordinance or any other contract or agreement with the Holders of the Bonds, and (f) to meet any other obligations of the County which are charges, liens, or encumbrances upon the Revenues.

The failure by the County for one Fiscal Year to receive Revenues sufficient to equal the amount required under the preceding paragraph shall not be deemed an Event of Default or require the County to employ an Independent Consultant; provided, however, if (i) for any two consecutive Fiscal Years the Revenues are less than the amount required under the preceding paragraph, or (ii) for any Fiscal Year the Net Revenues shall not produce at least 100% of the annual Principal and Interest Requirements on the Outstanding Bonds (less payments made from the proceeds of Bonds) or (iii) there has been a withdrawal from the Debt Service Reserve Fund as a result of Section 5.05(a)(i) of this Ordinance, within 30 days of the receipt of the audit report for the applicable Fiscal Year or of the withdrawal from the Debt Service Reserve Fund, the County is required to employ an Independent Consultant to review and analyze the financial status and operations of the Utility, and to submit, within 60 days thereafter, a written report to the County recommending revisions of the fees and charges of the Utility and the methods of operation of the Utility that will result in producing the amount so required. Promptly upon its receipt of such recommendations, the County is required to revise within 60 days its fees and charges, or alter its methods of operation and take such other action as will conform with such recommendations.

If the County fails to comply with the recommendations of the Independent Consultant, a Default hereunder shall have occurred and the Trustee may, and upon written request of the Registered Holders of not less than 51% in principal amount of all Bonds then Outstanding shall, institute such remedies under Article IX hereof deemed advisable to compel the County to comply with the recommendations and the requirements of the preceding paragraph.

If the County complies with all recommendations of the Independent Consultant in respect to its fees, charges and methods of operation, the failure of Revenues to meet the rate covenant described above will not constitute an Event of Default so long as the Revenues, together with available moneys in the Funds and Accounts created under this Ordinance, are sufficient to pay the Current Expenses and to pay the Principal and Interest Requirements on all Outstanding Bonds and other indebtedness with respect to the Utility for such Fiscal Year.

Section 7.02 Creation of Statutory Lien.

For the equal and ratable protection of the Holders of the Bonds, a statutory lien upon the Utility is hereby created and granted as provided in the Act, which statutory lien is hereby recognized as valid and binding upon the County and the Utility, which shall take effect immediately upon delivery of any

Bonds, and any Holder of any Bond may, subject to Section 9.03 hereof, either in law or in equity, by suit, action, mandamus, or other proceedings, protect the statutory lien hereby conferred, and may by suit, action, mandamus, or other proceedings enforce and compel the performance of all duties required by the Ordinance and the Act, including the making and collection of sufficient rates and charges for the services and facilities of the Utility from all users, segregating of the income and Revenues and the proper application thereof, but such statutory lien shall not give any such Holder authority to compel the sale of the Utility or any part thereof.

Section 7.03 Condition of County's Obligation; Payment of Principal and Interest.

(a) Each and every covenant herein made, including all covenants made in the various sections of this Article VII, is predicated upon the condition that any obligation for the payment of money incurred by the County shall not create a pecuniary liability of the County or a charge upon its general credit, but shall be payable solely from the Revenues which are required to be set apart and transferred to the Debt Service Fund and the Debt Service Reserve Fund, which Revenues, except for amounts necessary for Current Expenses, are hereby specifically pledged to the payment thereof in the manner and to the extent in the Ordinance specified and nothing in the Bonds or in the Ordinance shall be considered as pledging any other funds or assets of the County.

(b) The Bonds, together with interest thereon, shall be limited obligations of the County payable solely from the Revenues which are required to be set apart and transferred to the Debt Service Fund and the Debt Service Reserve Fund and shall be a valid claim of the respective Holders thereof only against those funds and the Revenues, which Revenues to the extent provided in paragraph (a) of this Section 7.03 are hereby pledged and assigned for the equal and ratable payment of the Bonds and shall be used for no other purposes than to pay the principal of, premium, if any, and interest on the Bonds, except as may be otherwise expressly authorized in the Ordinance. The Bonds do not now and shall never constitute an indebtedness of the County within the meaning of any state constitutional provision or statutory limitation (other than Article X, Section 14, Paragraph 10 of the South Carolina Constitution authorizing obligations of political subdivisions payable solely from special sources not involving revenue from any tax or license), and shall never constitute nor give rise to a pecuniary liability of the County or a charge against the general credit or taxing powers of the County, the State of South Carolina, or any of its agencies or political subdivisions. No recourse shall be had for the payment of the Bonds, or interest thereon, or any part thereof, against the several funds of the County, except in the manner and to the extent provided in the Ordinance. The Bonds, and interest thereon, shall not be a charge, lien, or encumbrance, legal or equitable, upon any property of the County or upon any income, receipts, or revenues of the County other than the Revenues that have been pledged to the payment thereof.

Section 7.04 Performance of Covenants; Authority of the County.

The County covenants that it will faithfully perform at all times all covenants, undertakings, stipulations and provisions contained in the Act, in the Ordinance, in the Bonds executed, authenticated, and delivered hereunder, and in all proceedings pertaining thereto. The County covenants that it is duly authorized under the Constitution and laws of the State of South Carolina to issue the Bonds authorized hereby, to adopt the Ordinance, and to pledge the Revenues hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the adoption of the Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be valid and enforceable obligations of the County according to the import thereof.

Section 7.05 Instruments of Further Assurance.

The County covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered, all Ordinances supplemental hereto and all further acts, instruments, and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning, and confirming unto the Trustee all and singular the Revenues pledged hereby to the payment of the principal of and interest and premium, if any, on the Bonds.

Section 7.06 Inspection of Utility Books.

The County covenants and agrees to establish and maintain proper books of record and account (separately entirely from other records and accounts of the County) in which full and correct entries shall be made of all dealings or transactions of or in relation to the properties, businesses and affairs of the Utility. The County further covenants and agrees that all books and documents in its possession relating to the Utility and the Revenues and any Project shall at all times be open to inspection during normal business hours by any accountants or other agents as the Trustee may from time to time designate.

Section 7.07 No Other Hypothecation of Utility; Sale or Lease of Utility.

The County represents and covenants that neither the Utility, nor any part thereof, nor any of the Revenues derived from the Utility, have been hypothecated, mortgaged, or otherwise pledged or encumbered, save and except as herein enumerated and provided for. The County agrees that it will not, nor will it permit the Utility or any part thereof or any of the Revenues derived from the Utility to be hypothecated, mortgaged, pledged, encumbered, conveyed or granted except as herein enumerated and provided for.

In addition, the County may from time to time permanently abandon the use of, sell, trade or lease any property forming a part of the Utility, but only if there shall be filed with the Clerk of the County prior to such abandonment, sale or lease a certificate, signed by the Authorized Representative, stating:

- (a) that the County is not then in Default in the performance of any of the covenants, conditions, agreements or provisions contained in the Ordinance, and
- (b) that the Net Revenues for the preceding Fiscal Year derived from the Utility, after giving effect to such abandonment, sale or lease and any replacement and after adjustment to reflect the moneys which would have been received if the rate schedule in effect on the date of such certificate had been in effect throughout such Fiscal Year, are not less than 120% of the Principal and Interest Requirements for the current Fiscal Year for all Series of Bonds then Outstanding. Amounts received from such sale or disposition shall not be considered Revenues of the Utility for purposes of compliance with financial ratios required hereunder.

Section 7.08 Operation of Utility.

- (a) The County represents and agrees that it will:
 - (i) keep, or cause to be kept, the Utility insured against physical loss or damage in a commercially reasonable manner;
 - (ii) secure, or cause to be secured, fidelity bonds indemnifying the County against defalcation of all persons handling moneys of the County, or signing checks of any bank accounts of the County, other than any paying agent or the Trustee; the County further agrees that all

moneys received as a consequence of any defalcation, covered by any fidelity bond, shall be used to restore the fund depleted by the defalcation; and

(iii) carry, or cause to be carried, worker's compensation and public liability insurance in the amounts and to the extent as is customarily carried by similar organizations engaged in similar businesses of comparable size.

All sums received from insurance policies, except public liability policies, may, to the extent necessary, be applied to the repair and replacement of the damaged or destroyed property, or, in the event that the moneys are not used for such purposes, then they shall be deposited in and become a part of the Debt Service Fund.

(b) In addition, the County further agrees that so long as any Bonds shall be Outstanding and unpaid, it will perform all duties with reference to the Utility required by the Constitution and statutes of South Carolina, including the Act, and the County hereby irrevocably covenants, binds, and obligates itself not to pledge, mortgage, or otherwise encumber the Utility, or any part thereof, or any Revenues therefrom, except in the manner provided herein, and, except as provided herein, it will not sell, lease, or dispose of any substantial portion of the Utility until all the Bonds shall be paid in full, including principal, premium, if any, and interest, or unless and until provision shall have been made for the payment of all principal of, premium, if any, and interest on the Bonds, and all fees and expenses of the Trustee shall have been paid in full, and the County further obligates itself and agrees with the Holders of the Bonds to maintain in good condition and to operate or cause to be operated the Utility, in a reasonable and prudent manner, and to collect and charge, or cause to be collected and charged, all rates for the services and facilities of the Utility, so that the Revenues will be sufficient at all times to meet the requirements of the Ordinance, including but not limited to, and subject to the provisions of, Section 7.01 hereof.

Section 7.09 Not to Furnish Service of the Utility Free of Charge; Enforcement of Accounts Owning.

So long as any Bonds are Outstanding, the County will not furnish or supply any service furnished by or in connection with the Utility free of charge, subject to permitted limitations as provided in the Act, to any firm or corporation, public or private, and the County will enforce the payment of any and all amounts owed to the County by reason of the Utility.

Section 7.10 Annual Budget.

(a) The County in each Fiscal Year shall adopt a budget for the Utility which shall fully reflect all sums to be expended or disposed of for the Utility during the next ensuing Fiscal Year. The expenditures shall be itemized to the extent necessary to show:

The County covenants and agrees that any moneys which it shall deposit with the Trustee shall be deemed to be deposited in accordance with, and subject to, the applicable provisions of this Article, and whenever it shall have elected to redeem Bonds, it will irrevocably bind and obligate itself to give notice of redemption thereof, and will further authorize and empower the Trustee to cause notice of redemption to be given in its name and on its behalf.

(ii) By action or suit in equity, require the County and the County Council to account as if they were the trustee of an express trust;

The rights herein specified are to be cumulative to all other available rights, remedies, or powers and shall not exclude any such rights, remedies, or powers.

Section 9.05 Rights of Bondholders.

(a) If an Event of Default shall have occurred, and if requested so to do by the Holders of not less than 51% in aggregate principal amount of Bonds then Outstanding, and if indemnified as provided in Section 6.02(j) hereof, the Trustee shall be obliged to exercise one or more of the rights and powers conferred by this Article IX as the Trustee, being advised by counsel, shall deem most expedient in the interest of the Bondholders.

(b) No remedy by the terms of the Ordinance conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every remedy shall be

cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

(c) No delay or omission in exercising any right or power accruing upon any Default or Event of Default shall impair any right or power or shall be construed to be a waiver of any Default or Event of Default or acquiescence therein and every right and power may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Default or Event of Default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent Default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 9.06 Application of Moneys.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of the moneys and of the expenses, liabilities, and advances incurred or made by the Trustee, be deposited in the Debt Service Fund and all moneys in the Debt Service Fund shall be applied as follows:

First - To the payment of the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on that installment, to the persons entitled thereto, without any discrimination or privilege; and

Second - To the payment of the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of the Ordinance), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full principal of and premium, if any, on the Bonds due on any particular date, then to the payment ratably, according to the amount of the principal and premium, if any, due on such date, to the persons entitled thereto without any discrimination or privilege; and

Third - To the payment to the persons entitled thereto of interest at the rate of interest borne by the Bonds on all past due installments of principal and interest from their respective due dates and, if the amount available shall not be sufficient to pay in full the whole amount of interest so due, then to the payment ratably, according to the amount of interest then due, to the persons entitled thereto without any discrimination or privilege and without any distinction between interest on past due interest and interest on past due principal.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, the moneys shall be applied at the times, and from time to time, as the Trustee shall determine, having due regard to the amount of moneys available for application in the future. Whenever the Trustee shall apply funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which application is to be made and upon that date interest on the amounts of principal to be paid on that date shall cease to accrue. The Trustee shall give notice as it may deem appropriate of the deposit with it of any moneys and of the fixing of any date, and shall not be required to make payment to the Holder of any Bond until it shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

(c) Whenever all principal of, premium, if any, and interest on all Bonds have been paid under the provisions of this Section 9.06 and all expenses and charges of the Trustee shall have been paid, any balance remaining in the Debt Service Fund shall be paid to the Revenue Fund.

Section 9.07 Remedies Vested in Trustee.

All rights of action (including the right to file proof of claims) under the Ordinance or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any suit or proceeding instituted by the Trustee shall be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the equal benefit of the Holders of the Bonds then Outstanding.

Section 9.08 Rights and Remedies of Bondholders.

No Bondholder shall have the right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Ordinance or for the execution of any trust hereof or for the appointment of a receiver or for any other remedy hereunder, unless all of the following conditions have first been satisfied: (i) a Default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 6.02 hereof, or of which by that subsection it is deemed to have notice, (ii) the Default or Event of Default shall occur and the Holders of at least fifty-one per centum (51%) in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute action, suit, or proceeding in its own name, (iii) the Trustee has been offered indemnity as provided in Section 6.02(j) hereof, and (iv) the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its, his, or their own name or names; and the notification, request, and offer of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of the Ordinance, and to any action or cause of action for the enforcement of this Ordinance, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien of the Ordinance by its, his, or their action or to enforce any right hereunder, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had, and maintained in the manner herein provided and for the equal benefit of the Holders of all Bonds then Outstanding. Nothing in the Ordinance contained shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof, or the obligation of the County to pay, but only from the sources herein described, the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective Holders thereof at the time, place, from the source, and in the manner provided in the Bonds.

Section 9.09 Termination of Proceedings.

In case the Trustee shall have proceeded to enforce any right under the Ordinance by the appointment of a receiver, by entry, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then the County and the Trustee shall be restored to their former positions and rights hereunder, and all rights and remedies and powers of the Trustee shall continue as if no proceedings had been taken.

Section 9.10 Waivers of Events of Default.

The Trustee may and shall waive any Event of Default hereunder and its consequences upon the written request of the Holders of a majority in aggregate principal amount of all Bonds then Outstanding; provided, however, that there shall not be waived any Default in the payment of (i) the principal of or premium, if any, on any Bond, whether at the stated maturity thereof, or upon proceedings for redemption thereof, or (ii) any interest when due on any Bond, unless prior to the waiver, all arrears of interest, with interest at the rate of interest borne by the Bonds on overdue installments of interest, and all arrears of payments of principal then due (whether at the stated maturity thereof or upon proceedings for redemption) with interest as aforesaid on the arrears, and all expenses of the Trustee in connection with the Default shall have been paid or provided for, and in case of any waiver, or in case any proceeding taken by the Trustee on account of any Default shall have been discontinued or abandoned or determined adversely, then the County, the Trustee, and the Bondholders shall be restored to their former positions and rights hereunder respectively, but no waiver shall extend to any subsequent or other Default, or impair any right consequent thereon.

Section 9.11 Notice of Defaults; Opportunity of the County to Cure Defaults.

No event under Section 9.01(c) hereof shall constitute an Event of Default until actual notice of the Default by registered or certified mail shall be given by the Trustee or by the Holders of not less than 51% of the aggregate principal amount of Bonds then Outstanding to the County, and the County shall have had 30 days after receipt of the notice to correct the Default or cause it to be corrected, and shall not have corrected it or caused it to be corrected within the applicable period; provided, however, if the Default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the County as the case may be, within the applicable period, is diligently pursued, and the Default is corrected within 90 days after the notice hereinabove specified has been received.

ARTICLE X

AMENDING AND SUPPLEMENTING OF ORDINANCE

Section 10.01 Amending and Supplementing of Ordinance Without Consent of Holders of Bonds.

(a) The County Council, from time to time and at any time and without the consent or concurrence of any Holder of any Bond, may adopt an Ordinance amendatory hereof or supplemental thereto (i) for the purpose of providing for the issuance of Bonds pursuant to the provisions of Article II hereof, or (ii) if the provisions of the Supplemental Ordinance shall not materially adversely affect the rights of the Holders of the Bonds then Outstanding, for any one or more of the following purposes:

(1) To make any changes or corrections in the Ordinance as to which the County and the Trustee shall have been advised by counsel are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in the Ordinance, or to insert in the Ordinance provisions clarifying matters or questions arising under the Ordinance as are necessary or desirable;

(3) To surrender any right, power, or privilege reserved to or conferred upon the County by the terms of the Ordinance;

(5) To grant or confer upon the Bondholders any additional right, remedies, powers, authority, or security that lawfully may be granted to or conferred upon them, or to grant to or to confer upon the Trustee for the benefit of the Holders of the Bonds any additional rights, duties, remedies, powers, authority, or security;

(6) To modify any of the provisions of the Ordinance in any other respects provided that the modification shall not be effective until after the Bonds Outstanding at the time the Supplemental Ordinance is adopted shall cease to be Outstanding, or until the Holders thereof consent thereto pursuant to Section 10.02 hereof, and any Bonds issued subsequent to any modification shall contain a specific reference to the modifications contained in the Supplemental Ordinance; and

(7) To make such additions, deletions or modifications as may be necessary to assure compliance with Section 148(f) of the Code relating to required rebate to the United States or otherwise as may be necessary to assure exemption from federal income taxation of interest on any Bonds issued as tax-exempt bonds.

(b) Except for Supplemental Ordinances providing for the issuance of Bonds pursuant hereto, the County shall not adopt any Supplemental Ordinance authorized by the foregoing provisions of this Section unless in the opinion of counsel addressed to the Trustee and the County (which opinion may be combined with the opinion required by Section 10.04 hereof) the adoption of the Supplemental Ordinance is permitted by the foregoing provisions of this Section and the provisions of the Supplemental Ordinance do not adversely affect the rights of the Holders of the Bonds then Outstanding and will not affect tax-exemption of interest on the Bonds then Outstanding.

Section 10.02 Amending and Supplementing of Ordinance With Consent of Holders of Bonds.

(a) With the consent of the Holders of not less than a majority in principal amount of the Bonds then Outstanding, the County Council from time to time and at any time may adopt an Ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, the Ordinance, or modifying or amending the rights and obligations of the County under the Ordinance, or modifying or amending in any manner the rights of the Holders of the Bonds then Outstanding; provided, however, that, without the specific consent of the Holder of each Bond which would be affected thereby, no Supplemental Ordinance amending or supplementing the provisions hereof or thereof shall: (i) change the fixed maturity date of any Bond or the dates for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the redemption price (or the redemption premium) payable upon the redemption or prepayment thereof; (ii) reduce the aforesaid percentage of Bonds, the Holders of which are required to consent to any Supplemental Ordinance amending or supplementing the provisions of the Ordinance; (iii) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby; (iv) authorize the creation of any pledge of the Revenues and other moneys pledged hereunder, prior, superior, or equal to the pledge of and lien and charge thereon created herein for the payment of the Bonds; or (v) deprive any Holder of the Bonds of the lien on the Revenues afforded by the Ordinance. (b) It shall not be necessary that the consents of the Holders of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the Supplemental Ordinance effecting the amending or supplementing hereof pursuant to this Section. The County shall mail a notice at least once, not more than 30 days after the effective date of any amendment or supplement, of the amendment or supplement postage prepaid, to each Holder of Bonds then Outstanding at his address appearing upon the Books of Registry and to the Trustee, but failure to mail copies of the notice to any of the Holders shall not affect the validity of the Supplemental Ordinance effecting the amendments or supplements or the consents thereto. In that case, upon demand of the Holder of any Bond Outstanding after the effective date and upon the presentation of the Bond for that purpose at the office of the Trustee, and at any additional offices as the County may select and designate for that purpose, a suitable notation shall be made on the Bond. If the County shall determine, new Bonds, modified as in the opinion of the County upon the advice of counsel to conform to the amendments or supplements made pursuant to this Article, shall be prepared, executed, and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged without cost to the Holder for Bonds then Outstanding, upon surrender of the Outstanding Bonds.

Section 10.04 Effectiveness of Supplemental Ordinance.

Third Reading: September 6, 2022

CERTIFICATE TO ORDINANCE

I, the undersigned Clerk of the County Council of Dorchester County, South Carolina, **DO HEREBY CERTIFY**, that the foregoing is a true, correct, and verbatim copy of Ordinance No. 22-___ duly enacted by the County Council of Dorchester County, having been read at three duly called regular meetings of the County Council held on July 25, 2022, August 15, 2022 and September 6, 2022, at each of which meetings a quorum was present and remained throughout and which meetings were open to the public.

Written public notice of all regular meetings for calendar year 2022 was given at the beginning of 2022 by posting a copy of the notice, containing the dates, times and places of such meetings, at the principal office of the County Council. The agendas for the regular meetings were posted on a bulletin board at the office of the County Council at least 24 hours prior to the meetings. An effort was made on behalf of the County Council to notify local news media and such other news media as may request official notification of the time, date, place and agenda of the meetings. The efforts were noted in the minutes of such meetings.

The Ordinance remains in full force and effect and has not been amended, modified or repealed and has been recorded and indexed in the County Council's records of proceedings and remains in my custody as Clerk.

WITNESS my Hand and the Seal of the County Council of Dorchester County, South Carolina, this 6th day of September, 2022.

(SEAL)

Nancy L. Langley
