STORMWATER MAJOR MODIFICATION APPLICATION

3. Major modifications will be reviewed by Dorchester County at the rates provided in the below table. Please note that all major modification submittals will also accrue a \$150 re-inspection fee in addition to the review fees listed below. Review and inspection fees for all major modification applications will be invoiced through Evolve.

Development type	Disturbed area (acres)	First Review	Second Review	Each additional review thereafter
Major modification	Any	\$300 (per disturbed acre)	\$500	\$250

4. Update the following documents *as necessary and applicable* and upload to Evolve:
- Dorchester County Operating and Maintenance Agreement
 - Dorchester County Construction Approval Application
 - Dorchester County Construction Approval Application Checklist
 - Complete set of construction plans
 - SWPPP
 - USACOE Wetland Delineation/Permit
 - Traffic Study
 - SCDOT and/or Dorchester County encroachment permit approval
 - SCDHEC/OCRM approval (NOI)
 - OCRM Coastal Zone Consistency (CZC) approval

5. In the box below, include a brief description of the proposed changes that are included in the major modification submittal:

STORMWATER MAJOR MODIFICATION APPLICATION

6. Complete the following signatures and acknowledgement of certification statements:

- a. I have placed my signature and seal on the design documents submitted signifying that I accept responsibility for design of the system. Further, I certify to the best of my knowledge and belief that the design is consistent with the requirements of the Dorchester County Stormwater Management Ordinance and the Stormwater Management Design Manual.

Printed name of Plan Preparer: _____

Signature of Plan Preparer: _____

SC Registration: _____

- b. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
- c. I also hereby certify that all construction and associated activity pertaining to this site shall be accomplished pursuant to and in keeping with the terms and conditions of the approved plans. I also certify that a responsible person will be assigned to the project for day-to-day control. I hereby grant authorization to the Dorchester County Public Works Department the right of access to the site at all times for the purpose of onsite inspections during the course of construction and to perform maintenance inspections following the completion of the land disturbing activity.
