For Use by Notary Public if Required

In an effort to provide better youth protection, certain states and foreign countries now require all releases covering minors to be notarized. In addition to this, they may also require proof of death if only one parent is living, or approval of both parents and stepparent(s) in the event of divorce/remarriage. If you will be traveling through or going to an area where either or both of these restrictions apply, use the bottom of this form to provide space for additional signatures as required.
