

A RESOLUTION PROVIDING FOR THE HOME GARAGING OF COUNTY VEHICLES BY CERTAIN DESIGNATED COUNTY EMPLOYEES

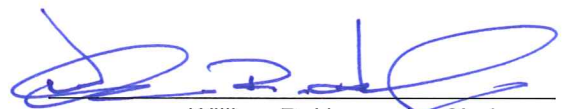

WHEREAS, pursuant to Resolution 08-20 and Resolution 10-04 County Council provided for the home garaging of county vehicles by certain county employees; and

WHEREAS, County Council wishes to repeal the aforementioned Resolutions and to provide pursuant to this Resolution a new list of positions within Dorchester County which are authorized to home garage county vehicles assigned to them thus exempting them from the requirement that the vehicle be garaged at an appropriate County building.

NOW THEREFORE, be it resolved by Dorchester County Council, duly assembled, that Resolution 08-20 and Resolution 10-04 are hereby repealed.

BE IT FURTHER RESOLVED, that the vehicles assigned to the following positions shall be exempt from the requirement that the vehicle be garaged at an appropriate County building, thus allowing the vehicles so assigned to be home garaged: County Administrator, Deputy County Administrator, Director of Emergency Management, EMS Command Staff, (Director, Deputy Director, Training Officer and Shift Supervisors), Director of Public Works, Deputy Director of Public Works, Coroner and Deputy Coroners, Economic Development Director, Water and Sewer Director, Water and Sewer Deputy Director of Operations and Maintenance, Senior Sewer Plant Manager, Water and Sewer Operations and Maintenance Superintendant, Water and Sewer Department employees who are scheduled to be on- call after normal business hours, County Wrecker Operator(s) scheduled to be on- call after normal business hours, Risk Manager, Sheriff and Sheriff's deputies, Fire Chief, Deputy Fire Chief, Battalion Chief for Training, Family Court Process Server(s), Director of Planning and Zoning, Magistrate Court Constables as deemed appropriate by the Sheriff, and the County employee(s) responsible for mosquito abatement during the mosquito season. The designation of these county positions for which home garaging is allowed shall in no way prohibit the County Administrator from allowing the occasional home garaging of a county vehicle by a County employee under appropriate and justifiable circumstances.
